GRADE 9 CREATIVE ARTS AND SPORTS
FULL-YEAR SCHEME OF WORK

Teacher-prepared planning document aligned to the KICD Grade 9 Creative Arts and Sports Curriculum Design (2024)

Planning note: KICD allocates 5 lessons per week to Creative Arts and Sports. The core sub-strand allocations listed in the 2024 design total 150 lessons, planned here as 50 lessons per term (10 teaching weeks per term). KICD also lists an optional choice of Swimming OR Kenyan Indigenous Games (10 lessons); this is treated as an optional school-level choice and is not added to the 150 core lessons in this scheme. The design notes that suggested lesson numbers may be adjusted to context. Rotate visual arts/craft, music, drama and sports experiences through the term and adapt activities to facilities, weather, learner ability and safety.

School: _____	Teacher: _____	TSC No.: _____	Year: _____
Learning Area: Creative Arts and Sports	Grade: 9	Term: All Terms	Lessons: 150

TERM 1

WK	LSN	STRAND	SUB-STRAND	LESSON LEARNING OUTCOMES	LEARNING EXPERIENCES	KEY INQUIRY QUESTIONS	LEARNING RESOURCES	ASSESSMENT METHODS	REFLECTION
1	1	1.0 Foundations of Creative Arts and Sports	1.1 Careers in Creative Arts and Sports	At the end of the lesson, the learner should be able to: Knowledge: Identify careers in creative arts and sports. Skills: Illustrate entrepreneurial opportunities in creative arts and sports. Attitude: Appreciate careers and talents in creative arts and sports; demonstrate respect, creativity, cooperation and commitment to safety.	The learner is guided to observe examples or demonstrations; identify key features; discuss prior knowledge; and record findings. The learner is guided to research careers using print or digital sources; explore actual or virtual theatres, studios, galleries, workshops and sports centres; interview or listen to practitioners; and present a career profile.	What are the career opportunities related to Creative Arts and Sports?	Locally available art/craft materials; drawing and painting tools; musical instruments/recorder; audio resources; camera or digital device; sports equipment; safe playing space; learner's book.	Observation checklist, skill demonstration, performance rubric, learner portfolio, practical product, oral questions, peer/self-assessment and reflection.	_____
1	2	1.0 Foundations of Creative Arts and Sports	1.1 Careers in Creative Arts and Sports	At the end of the lesson, the learner should be able to: Knowledge: Identify careers in creative arts and sports. Skills: Illustrate entrepreneurial opportunities in creative arts and sports. Attitude: Appreciate careers and talents in creative arts and sports; demonstrate respect, creativity, cooperation and commitment to safety.	The learner is guided to investigate techniques or rules; compare examples; work in pairs or groups; and present observations. The learner is guided to research careers using print or digital sources; explore actual or virtual theatres, studios, galleries, workshops and sports centres; interview or listen to practitioners; and present a career profile. Attitude: Create a scenery composition expressing colour harmony, mood and texture; demonstrate respect, creativity, cooperation and commitment to safety.	The learner is guided to investigate techniques or rules; compare examples; work in pairs or groups; and present observations. The learner is guided to observe and discuss pictures; paint a colour wheel and gradation strips; sketch a landscape or seascape; apply thin washes and brush-stroke techniques; use dabbing to create texture; and display work for peer feedback.	How do colour and texture influence a painting?	Locally available art/craft materials; drawing and painting tools; musical instruments/recorder; audio resources; camera or digital device; sports equipment; safe playing space; learner's book.	Observation checklist, skill demonstration, performance rubric, learner portfolio, practical product, oral questions, peer/self-assessment and reflection.	_____
7	3	2.0 Creating and Performing in Creative Arts and Sports	2.2 Rhythm	At the end of the lesson, the learner should be able to: Knowledge: Describe the effect of dotted note values and rests on rhythmic patterns. Skills: Compose and notate a four-bar rhythmic pattern in 4/4 time. Attitude: Perform rhythmic patterns accurately using body percussion or instruments; demonstrate respect, creativity, cooperation and commitment to safety.	The learner is guided to observe examples or demonstrations; identify key features; discuss prior knowledge; and record findings. The learner is guided to clap, tap and speak rhythmic patterns; identify dotted minim, dotted crotchet and quaver values and rests; compose four-bar patterns; notate rhythms from dictation; and perform in groups.	How does note extension affect rhythmic patterns?	Locally available art/craft materials; drawing and painting tools; musical instruments/recorder; audio resources; camera or digital device; sports equipment; safe playing space; learner's book.	Observation checklist, skill demonstration, performance rubric, learner portfolio, practical product, oral questions, peer/self-assessment and reflection.	_____

KICD curriculum coverage and planning notes

Core suggested lesson allocations in the KICD 2024 summary: Careers in Creative Arts and Sports (10); Components of Creative Arts and Sports (10); Drawing and Painting (12); Rhythm (12); Athletics and Mosaic (14); Melody (12); Rugby (12); Photography (10); Descant Recorder (10); Play (12); Basketball and Logo Design (14); Indigenous Kenyan Craft (10); Analysis of Creative Arts and Sports (12). These core allocations total 150 lessons.

Optional sub-strand: KICD lists Swimming (10 lessons) OR Kenyan Indigenous Games (10 lessons). Select one according to learner needs, facilities, safety and school context; schedule it by adjusting the pacing or integrating it into the school's practical programme. The optional choice is not counted in the 150 core lessons above.

Official KICD curriculum design PDF: https://kicd.ac.ke/wp-content/uploads/2024/06/FG9-Creative-Arts-Sports-26-6-2024.pdf

KICD allocates five lessons per week and describes this learning area as multidisciplinary, combining visual arts, performing arts and physical education/sports. The design recommends learner-centred, experiential and inquiry-based learning. Ensure practical activities are adapted to facilities, weather, inclusion needs and safety requirements.

This is an original teacher-prepared scheme for planning and classroom use, not an official KICD publication. The detailed lesson-by-lesson sequencing and term split are planning proposals. Consult the full KICD design for the exact specific learning outcomes, suggested experiences and assessment rubrics.
