GRADE 8 AGRICULTURE – RECORD OF WORK

School: _____ Teacher: _____ TSC No.: _____

Grade: 8 Year: 2027 Term 2 Learning Area: Agriculture

Enter the actual date taught and sign after completing each lesson. The 'Work Covered' entries are written in past tense and follow the lesson sequence in the scheme. Amend an entry only where the lesson actually taught differed.

WEEK	LESSON	DATE	STRAND	SUB-STRAND	WORK COVERED	SIGN
11	1	_____	2.0 Food Production Processes	2.3 Crop Pest and Disease Control	Covered signs of pest attack: punctured leaves, cut seedlings and curling leaves; learners examined its relevance to 2.3 crop pest and disease control and discussed appropriate agricultural practices.	_____
11	2	_____	2.0 Food Production Processes	2.3 Crop Pest and Disease Control	Covered common sites where crop pests are found; learners examined its relevance to 2.3 crop pest and disease control and discussed appropriate agricultural practices.	_____
11	3	_____	2.0 Food Production Processes	2.3 Crop Pest and Disease Control	Covered common signs of crop diseases: wilting, spots and rotting; learners examined its relevance to 2.3 crop pest and disease control and discussed appropriate agricultural practices.	_____
11	4	_____	2.0 Food Production Processes	2.3 Crop Pest and Disease Control	Covered field observation and identification of affected crops; learners examined its relevance to 2.3 crop pest and disease control and discussed appropriate agricultural practices.	_____
12	1	_____	2.0 Food Production Processes	2.3 Crop Pest and Disease Control	Covered handpicking pests; learners examined its relevance to 2.3 crop pest and disease control and discussed appropriate agricultural practices.	_____
12	2	_____	2.0 Food Production Processes	2.3 Crop Pest and Disease Control	Covered removing affected crop parts; learners examined its relevance to 2.3 crop pest and disease control and discussed appropriate agricultural practices.	_____
12	3	_____	2.0 Food Production Processes	2.3 Crop Pest and Disease Control	Covered uprooting heavily affected crops; learners examined its relevance to 2.3 crop pest and disease control and discussed appropriate agricultural practices.	_____
12	4	_____	2.0 Food Production Processes	2.3 Crop Pest and Disease Control	Covered using natural pesticides such as ash safely; learners examined its relevance to 2.3 crop pest and disease control and discussed appropriate agricultural practices.	_____
13	1	_____	2.0 Food Production Processes	2.3 Crop Pest and Disease Control	Covered importance of controlling pests and diseases in vegetable production; learners examined its relevance to 2.3 crop pest and disease control and discussed appropriate agricultural practices.	_____
13	2	_____	2.0 Food Production Processes	2.4 Preparation of Animal Products	Covered importance of processing fresh fish; learners examined its relevance to 2.4 preparation of animal products and discussed appropriate agricultural practices.	_____
13	3	_____	2.0 Food Production Processes	2.4 Preparation of Animal Products	Covered preparation and cleaning of fresh fish; learners examined its relevance to 2.4 preparation of animal products and discussed appropriate agricultural practices.	_____
13	4	_____	2.0 Food Production Processes	2.4 Preparation of Animal Products	Covered processing fish for different purposes; learners examined its relevance to 2.4 preparation of animal products and discussed appropriate agricultural practices.	_____
14	1	_____	2.0 Food Production Processes	2.4 Preparation of Animal Products	Covered food hygiene and safety when handling fish; learners examined its relevance to 2.4 preparation of animal products and discussed appropriate agricultural practices.	_____
14	2	_____	2.0 Food Production Processes	2.4 Preparation of Animal Products	Covered importance of dressing a poultry carcass; learners examined its relevance to 2.4 preparation of animal products and discussed appropriate agricultural practices.	_____
14	3	_____	2.0 Food Production Processes	2.4 Preparation of Animal Products	Covered safe and hygienic poultry carcass dressing; learners examined its relevance to 2.4 preparation of animal products and discussed appropriate agricultural practices.	_____
14	4	_____	2.0 Food Production Processes	2.4 Preparation of Animal Products	Covered tools and equipment used in preparation; learners examined its relevance to 2.4 preparation of animal products and discussed appropriate agricultural practices.	_____

WEEK	LESSON	DATE	STRAND	SUB-STRAND	WORK COVERED	SIGN
15	1	_____	2.0 Food Production Processes	2.4 Preparation of Animal Products	Covered ethical practices in preparing animal products; learners examined its relevance to 2.4 preparation of animal products and discussed appropriate agricultural practices.	_____
15	2	_____	2.0 Food Production Processes	2.4 Preparation of Animal Products	Covered presenting processed animal products for use; learners examined its relevance to 2.4 preparation of animal products and discussed appropriate agricultural practices.	_____
15	3	_____	2.0 Food Production Processes	2.5 Preserving Animal Products	Covered importance of preserving milk and meat at household level; learners examined its relevance to 2.5 preserving animal products and discussed appropriate agricultural practices.	_____
15	4	_____	2.0 Food Production Processes	2.5 Preserving Animal Products	Covered hygienic handling of milk and meat; learners examined its relevance to 2.5 preserving animal products and discussed appropriate agricultural practices.	_____
16	1	_____	2.0 Food Production Processes	2.5 Preserving Animal Products	Covered boiling milk; learners examined its relevance to 2.5 preserving animal products and discussed appropriate agricultural practices.	_____
16	2	_____	2.0 Food Production Processes	2.5 Preserving Animal Products	Covered fermenting milk; learners examined its relevance to 2.5 preserving animal products and discussed appropriate agricultural practices.	_____
16	3	_____	2.0 Food Production Processes	2.5 Preserving Animal Products	Covered home cooling techniques for milk; learners examined its relevance to 2.5 preserving animal products and discussed appropriate agricultural practices.	_____
16	4	_____	2.0 Food Production Processes	2.5 Preserving Animal Products	Covered salting meat; learners examined its relevance to 2.5 preserving animal products and discussed appropriate agricultural practices.	_____
17	1	_____	2.0 Food Production Processes	2.5 Preserving Animal Products	Covered boiling meat for preservation; learners examined its relevance to 2.5 preserving animal products and discussed appropriate agricultural practices.	_____
17	2	_____	2.0 Food Production Processes	2.5 Preserving Animal Products	Covered drying and smoking meat; learners examined its relevance to 2.5 preserving animal products and discussed appropriate agricultural practices.	_____
17	3	_____	2.0 Food Production Processes	2.5 Preserving Animal Products	Covered presenting suitable household preservation methods; learners examined its relevance to 2.5 preserving animal products and discussed appropriate agricultural practices.	_____
17	4	_____	2.0 Food Production Processes	2.6 Cooking: Preparing a Balanced Meal	Covered meaning and components of a balanced meal; learners examined its relevance to 2.6 cooking: preparing a balanced meal and discussed appropriate agricultural practices.	_____
18	1	_____	2.0 Food Production Processes	2.6 Cooking: Preparing a Balanced Meal	Covered factors considered when planning meals: age, health status, occasion and gender; learners examined its relevance to 2.6 cooking: preparing a balanced meal and discussed appropriate agricultural practices.	_____
18	2	_____	2.0 Food Production Processes	2.6 Cooking: Preparing a Balanced Meal	Covered selecting foods from food groups; learners examined its relevance to 2.6 cooking: preparing a balanced meal and discussed appropriate agricultural practices.	_____
18	3	_____	2.0 Food Production Processes	2.6 Cooking: Preparing a Balanced Meal	Covered planning a balanced meal; learners examined its relevance to 2.6 cooking: preparing a balanced meal and discussed appropriate agricultural practices.	_____
18	4	_____	2.0 Food Production Processes	2.6 Cooking: Preparing a Balanced Meal	Covered preparing ingredients and observing hygiene; learners examined its relevance to 2.6 cooking: preparing a balanced meal and discussed appropriate agricultural practices.	_____
19	1	_____	2.0 Food Production Processes	2.6 Cooking: Preparing a Balanced Meal	Covered cooking foods containing proteins; learners examined its relevance to 2.6 cooking: preparing a balanced meal and discussed appropriate agricultural practices.	_____
19	2	_____	2.0 Food Production Processes	2.6 Cooking: Preparing a Balanced Meal	Covered cooking foods containing carbohydrates; learners examined its relevance to 2.6 cooking: preparing a balanced meal and discussed appropriate agricultural practices.	_____

19	3	_____	2.0 Food Production Processes	2.6 Cooking: Preparing a Balanced Meal	Covered including vegetables, vitamins and minerals; learners examined its relevance to 2.6 cooking: preparing a balanced meal and discussed appropriate agricultural practices.	_____
19	4	_____	2.0 Food Production Processes	2.6 Cooking: Preparing a Balanced Meal	Covered serving styles: family and blue plate; learners examined its relevance to 2.6 cooking: preparing a balanced meal and discussed appropriate agricultural practices.	_____
20	1	_____	2.0 Food Production Processes	2.6 Cooking: Preparing a Balanced Meal	Covered preparing menus for balanced meals; learners examined its relevance to 2.6 cooking: preparing a balanced meal and discussed appropriate agricultural practices.	_____
20	2	_____	2.0 Food Production Processes	2.6 Cooking: Preparing a Balanced Meal	Covered presenting and evaluating a balanced meal; learners examined its relevance to 2.6 cooking: preparing a balanced meal and discussed appropriate agricultural practices.	_____
20	3	_____	3.0 Hygiene Practices	3.1 Cleaning the Kitchen	Covered importance of kitchen cleanliness and hygiene; learners examined its relevance to 3.1 cleaning the kitchen and discussed appropriate agricultural practices.	_____
20	4	_____	3.0 Hygiene Practices	3.1 Cleaning the Kitchen	Covered daily kitchen cleaning practices; learners examined its relevance to 3.1 cleaning the kitchen and discussed appropriate agricultural practices.	_____
