GRADE 8 CHRISTIAN RELIGIOUS EDUCATION (CRE) – LESSON PLAN

School: _____ Teacher: _____ TSC No.: _____

Learning Area: Christian Religious Education (CRE) Grade: 8 Year: 2027 Term: 2

Week: 11 Lesson: 1 Date: _____ Time: _____ Roll: _____

Strand: 3.0 The Life and Ministry of Jesus Christ
Sub-strand: 3.2 Calming the Storm
Lesson focus: Faith and trust in God during challenges

LESSON LEARNING OUTCOMES

At the end of the lesson, the learner should be able to:
Knowledge: Describe the miracle of Jesus calming the storm.
Skills: Interpret lessons learnt from the miracle for application in day-to-day life.
Attitudes: Appreciate Jesus' power and care for his followers.

Key Inquiry Question: How can Christians demonstrate faith during challenging situations?

Learning Resources: Good News Bible; KICD-approved CRE learner's materials; relevant charts, flashcards, pictures, posters and journals; hymn books or audio-visual/digital resources where available.

Organisation of Learning: Whole-class engagement, pairs and small collaborative groups; individual reflection and presentation. Provide accessible alternatives and respectful participation.

INTRODUCTION

Welcome learners and establish a respectful, supportive atmosphere. Use a short question, picture, scenario, scripture quotation or recap linked to the lesson focus. Elicit prior knowledge, clarify key vocabulary and introduce the key inquiry question.

LESSON DEVELOPMENT

Activity 1 – Engage with the content: Learners read, listen to or observe the selected biblical text or learning resource. They identify key people, events, ideas and unfamiliar terms. The teacher guides comprehension through focused questions.

Activity 2 – Explore and collaborate: In groups, learners examine the lesson focus, locate relevant evidence in the text, discuss the meaning and record their findings. The teacher moves between groups, probes reasoning and supports learners who need assistance.

Activity 3 – Apply and communicate: Learners connect the lesson to an age-appropriate situation at home, school, church or in the community. They present a short report, chart, role-play, sequence, written response or reflection. Peers ask questions and offer constructive feedback.

Activity 4 – Consolidate: Learners summarise the central Christian teaching and identify one practical action or value arising from the lesson. The teacher corrects misconceptions using the relevant scripture and curriculum content.

CONCLUSION AND ASSESSMENT

Revisit the key inquiry question. Assess learning through oral questions, observation, checklist, written exit response, journal entry, peer/self-assessment or a short presentation. Give feedback and assign a relevant follow-up task.

Assessment evidence: Learner explanations, accurate use of the biblical account, group contribution, completed written/chart/role-play task and ability to relate the teaching to daily life.

Reflection / Self-remarks: What was achieved? Which learners need support or extension? What should be improved in the next lesson?

Activity 2 – Explore and collaborate: In groups, learners examine the lesson focus, locate relevant evidence in the text, discuss the meaning and record their findings. The teacher moves between groups, probes reasoning and supports learners who need assistance.

Activity 3 – Apply and communicate: Learners connect the lesson to an age-appropriate situation at home, school, church or in the community. They present a short report, chart, role-play, sequence, written response or reflection. Peers ask questions and offer constructive feedback.

Activity 4 – Consolidate: Learners summarise the central Christian teaching and identify one practical action or value arising from the lesson. The teacher corrects misconceptions using the relevant scripture and curriculum content.

CONCLUSION AND ASSESSMENT

Revisit the key inquiry question. Assess learning through oral questions, observation, checklist, written exit response, journal entry, peer/self-assessment or a short presentation. Give feedback and assign a relevant follow-up task.

Assessment evidence: Learner explanations, accurate use of the biblical account, group contribution, completed written/chart/role-play task and ability to relate the teaching to daily life.

Reflection / Self-remarks: What was achieved? Which learners need support or extension? What should be improved in the next lesson?

Skills: Identify ways the Holy Spirit guides Christians.
Attitudes: Appreciate the work of the Holy Spirit.

Key Inquiry Question: How does the Holy Spirit guide Christians?

Learning Resources: Good News Bible; KICD-approved CRE learner's materials; relevant charts, flashcards, pictures, posters and journals; hymn books or audio-visual/digital resources where available.

Organisation of Learning: Whole-class engagement, pairs and small collaborative groups; individual reflection and presentation. Provide accessible alternatives and respectful participation.

INTRODUCTION

Welcome learners and establish a respectful, supportive atmosphere. Use a short question, picture, scenario, scripture quotation or recap linked to the lesson focus. Elicit prior knowledge, clarify key vocabulary and introduce the key inquiry question.

LESSON DEVELOPMENT

Activity 1 – Engage with the content: Learners read, listen to or observe the selected biblical text or learning resource. They identify key people, events, ideas and unfamiliar terms. The teacher guides comprehension through focused questions.

Activity 2 – Explore and collaborate: In groups, learners examine the lesson focus, locate relevant evidence in the text, discuss the meaning and record their findings. The teacher moves between groups, probes reasoning and supports learners who need assistance.

Activity 3 – Apply and communicate: Learners connect the lesson to an age-appropriate situation at home, school, church or in the community. They present a short report, chart, role-play, sequence, written response or reflection. Peers ask questions and offer constructive feedback.

Activity 4 – Consolidate: Learners summarise the central Christian teaching and identify one practical action or value arising from the lesson. The teacher corrects misconceptions using the relevant scripture and curriculum content.

CONCLUSION AND ASSESSMENT

Revisit the key inquiry question. Assess learning through oral questions, observation, checklist, written exit response, journal entry, peer/self-assessment or a short presentation. Give feedback and assign a relevant follow-up task.

Assessment evidence: Learner explanations, accurate use of the biblical account, group contribution, completed written/chart/role-play task and ability to relate the teaching to daily life.

Reflection / Self-remarks: What was achieved? Which learners need support or extension? What should be improved in the next lesson?

Learning Area: Christian Religious Education (CRE) Grade: 8 Year: 2027 Term: 2

Week: 20 Lesson: 3 Date: _____ Time: _____ Roll: _____

Strand: 5.0 The Church
Sub-strand: 5.2 Acts of Compassion
Lesson focus: Reflecting on service to others

LESSON LEARNING OUTCOMES

At the end of the lesson, the learner should be able to:
Knowledge: Explain the meaning of compassion.
Skills: Identify biblical teachings and examples on compassion.
Attitudes: Appreciate the importance of helping people in need.

Key Inquiry Question: How can Christians demonstrate compassion to the less fortunate?

Learning Resources: Good News Bible; KICD-approved CRE learner's materials; relevant charts, flashcards, pictures, posters and journals; hymn books or audio-visual/digital resources where available.

Organisation of Learning: Whole-class engagement, pairs and small collaborative groups; individual reflection and presentation. Provide accessible alternatives and respectful participation.

INTRODUCTION

Welcome learners and establish a respectful, supportive atmosphere. Use a short question, picture, scenario, scripture quotation or recap linked to the lesson focus. Elicit prior knowledge, clarify key vocabulary and introduce the key inquiry question.

LESSON DEVELOPMENT

Activity 1 – Engage with the content: Learners read, listen to or observe the selected biblical text or learning resource. They identify key people, events, ideas and unfamiliar terms. The teacher guides comprehension through focused questions.

Activity 2 – Explore and collaborate: In groups, learners examine the lesson focus, locate relevant evidence in the text, discuss the meaning and record their findings. The teacher moves between groups, probes reasoning and supports learners who need assistance.

Activity 3 – Apply and communicate: Learners connect the lesson to an age-appropriate situation at home, school, church or in the community. They present a short report, chart, role-play, sequence, written response or reflection. Peers ask questions and offer constructive feedback.

Activity 4 – Consolidate: Learners summarise the central Christian teaching and identify one practical action or value arising from the lesson. The teacher corrects misconceptions using the relevant scripture and curriculum content.

CONCLUSION AND ASSESSMENT

Revisit the key inquiry question. Assess learning through oral questions, observation, checklist, written exit response, journal entry, peer/self-assessment or a short presentation. Give feedback and assign a relevant follow-up task.

Assessment evidence: Learner explanations, accurate use of the biblical account, group contribution, completed written/chart/role-play task and ability to relate the teaching to daily life.

Reflection / Self-remarks: What was achieved? Which learners need support or extension? What should be improved in the next lesson?
