GRADE 8 CREATIVE ARTS AND SPORTS – SCHEME OF WORK

School: _____ Teacher: _____ TSC No.: _____

Grade: 8 Year: 2027 Full Year Lessons per week: 5

Curriculum basis: KICD Junior School Curriculum Design, Creative Arts and Sports, Grade 8, Revised 2024. The annual plan contains 150 lessons and selects ONE optional sub-strand: Kenyan Indigenous Game. The KICD design also offers Swimming as the alternative optional choice. Replace the selected optional unit if Swimming is chosen and suitable facilities, qualified supervision and safety arrangements are available.

The term split is a teacher planning arrangement of 50 lessons per term (10 teaching weeks); KICD notes that suggested sub-strand lesson numbers may be adjusted depending on content.

WK	LSN	STRAND	SUB-STRAND / LESSON FOCUS	LESSON LEARNING OUTCOMES	LEARNING EXPERIENCES	KEY INQUIRY QUESTIONS	LEARNING RESOURCES	ASSESSMENT METHODS	REFLECTION
1	1	1.0 Foundations of Creative Arts and Sports	1.1 Roles of Creative Arts and Sports **Focus:** Social and economic roles of Creative Arts and Sports	At the end of the lesson, the learner should be able to: Knowledge: Describe the roles of Creative Arts and Sports in society. Skills: Apply or demonstrate the relevant knowledge and practical skills in social and economic roles of creative arts and sports. Attitudes: Appreciate social and economic roles of creative arts and sports and demonstrate creativity, cooperation, respect and safe participation.	In groups, learners are guided to: Research and brainstorm on social and economic roles; collect and cut pictures of activities; prepare and paint a background surface; paste pictures to make a photographic storyboard; display, observe and give feedback. Focus the activity on social and economic roles of creative arts and sports; record observations, practise or create the required work, present outcomes and give constructive feedback.	What is the importance of Creative Arts and Sports in society?	KICD Grade 8 design; approved learner's book; pictures and charts; locally available art/craft materials; drawing and painting tools; musical instruments/audio resources; sports equipment and safe playing space; digital device where available.	Observation checklist; oral questions; practical product; skill demonstration; performance rubric; learner portfolio; peer/self-assessment and reflection.	_____
1	2	1.0 Foundations of Creative Arts and Sports	1.1 Roles of Creative Arts and Sports **Focus:** Roles in social cohesion, identity and culture	At the end of the lesson, the learner should be able to: Knowledge: Describe the roles of Creative Arts and Sports in society. Skills: Apply or demonstrate the relevant knowledge and practical skills in roles in social cohesion, identity and culture. Attitudes: Appreciate roles in social cohesion, identity and culture and demonstrate creativity, cooperation, respect and safe participation.	In groups, learners are guided to: Research and brainstorm on social and economic roles; collect and cut pictures of activities; prepare and paint a background surface; paste pictures to make a photographic storyboard; display, observe and give feedback. Focus the activity on roles in social cohesion, identity and culture; record observations, practise or create the required work, present outcomes and give constructive feedback.	What is the importance of Creative Arts and Sports in society?	KICD Grade 8 design; approved learner's book; pictures and charts; locally available art/craft materials; drawing and painting tools; musical instruments/audio resources; sports equipment and safe playing space; digital device where available.	Observation checklist; oral questions; practical product; skill demonstration; performance rubric; learner portfolio; peer/self-assessment and reflection.	_____
1	3	1.0 Foundations of Creative Arts and Sports	1.1 Roles of Creative Arts and Sports **Focus:** Roles in health, citizenship and patriotism	At the end of the lesson, the learner should be able to: Knowledge: Describe the roles of Creative Arts and Sports in society. Skills: Apply or demonstrate the relevant knowledge and practical skills in roles in health, citizenship and patriotism. Attitudes: Appreciate roles in health, citizenship and patriotism and demonstrate creativity, cooperation, respect and safe participation.	In groups, learners are guided to: Research and brainstorm on social and economic roles; collect and cut pictures of activities; prepare and paint a background surface; paste pictures to make a photographic storyboard; display, observe and give feedback. Focus the activity on roles in health, citizenship and patriotism; record observations, practise or create the required work, present outcomes and give constructive feedback.	What is the importance of Creative Arts and Sports in society?	KICD Grade 8 design; approved learner's book; pictures and charts; locally available art/craft materials; drawing and painting tools; musical instruments/audio resources; sports equipment and safe playing space; digital device where available.	Observation checklist; oral questions; practical product; skill demonstration; performance rubric; learner portfolio; peer/self-assessment and reflection.	_____
1	4	1.0 Foundations of Creative Arts and Sports	1.1 Roles of Creative Arts and Sports **Focus:** Roles in entertainment and personal development	At the end of the lesson, the learner should be able to: Knowledge: Describe the roles of Creative Arts and Sports in society. Skills: Apply or demonstrate the relevant knowledge and practical skills in roles in entertainment and personal development. Attitudes: Appreciate roles in entertainment and personal development and demonstrate creativity, cooperation, respect and safe participation.	In groups, learners are guided to: Research and brainstorm on social and economic roles; collect and cut pictures of activities; prepare and paint a background surface; paste pictures to make a photographic storyboard; display, observe and give feedback. Focus the activity on roles in entertainment and personal development; record observations, practise or create the required work, present outcomes and give constructive feedback.	What is the importance of Creative Arts and Sports in society?	KICD Grade 8 design; approved learner's book; pictures and charts; locally available art/craft materials; drawing and painting tools; musical instruments/audio resources; sports equipment and safe playing space; digital device where available.	Observation checklist; oral questions; practical product; skill demonstration; performance rubric; learner portfolio; peer/self-assessment and reflection.	_____
1	5	1.0 Foundations of Creative Arts and Sports	1.1 Roles of Creative Arts and Sports **Focus:** Economic roles: employment and poverty eradication	At the end of the lesson, the learner should be able to: Knowledge: Describe the roles of Creative Arts and Sports in society. Skills: Apply or demonstrate the relevant knowledge and practical skills in economic roles: employment and poverty eradication. Attitudes: Appreciate economic roles: employment and poverty eradication and demonstrate creativity, cooperation, respect and safe participation.	In groups, learners are guided to: Research and brainstorm on social and economic roles; collect and cut pictures of activities; prepare and paint a background surface; paste pictures to make a photographic storyboard; display, observe and give feedback. Focus the activity on economic roles: employment and poverty eradication; record observations, practise or create the required work, present outcomes and give constructive feedback.	What is the importance of Creative Arts and Sports in society?	KICD Grade 8 design; approved learner's book; pictures and charts; locally available art/craft materials; drawing and painting tools; musical instruments/audio resources; sports equipment and safe playing space; digital device where available.	Observation checklist; oral questions; practical product; skill demonstration; performance rubric; learner portfolio; peer/self-assessment and reflection.	_____
2	1	1.0 Foundations of Creative Arts and Sports	1.1 Roles of Creative Arts and Sports **Focus:** Researching roles in society	At the end of the lesson, the learner should be able to: Knowledge: Describe the roles of Creative Arts and Sports in society. Skills: Apply or demonstrate the relevant knowledge and practical skills in researching roles in society. Attitudes: Appreciate researching roles in society and demonstrate creativity, cooperation, respect and safe participation.	In groups, learners are guided to: Research and brainstorm on social and economic roles; collect and cut pictures of activities; prepare and paint a background surface; paste pictures to make a photographic storyboard; display, observe and give feedback. Focus the activity on researching roles in society; record observations, practise or create the required work, present outcomes and give constructive feedback.	What is the importance of Creative Arts and Sports in society?	KICD Grade 8 design; approved learner's book; pictures and charts; locally available art/craft materials; drawing and painting tools; musical instruments/audio resources; sports equipment and safe playing space; digital device where available. 2	2	1.0 Foundations of Creative Arts and Sports	1.1 Roles of Creative Arts and Sports **Focus:** Creating a photographic storyboard	At the end of the lesson, the learner should be able to: Knowledge: Describe the roles of Creative Arts and Sports in society. Skills: Apply or demonstrate the relevant knowledge and practical skills in creating a photographic storyboard. Attitudes: Appreciate creating a photographic storyboard and demonstrate creativity, cooperation, respect and safe participation.	In groups, learners are guided to: Research and brainstorm on social and economic roles; collect and cut pictures of activities; prepare and paint a background surface; paste pictures to make a photographic storyboard; display, observe and give feedback. Focus the activity on creating a photographic storyboard; record observations, practise or create the required work, present outcomes and give constructive feedback.	What is the importance of Creative Arts and Sports in society?	KICD Grade 8 design; approved learner's book; pictures and charts; locally available art/craft materials; drawing and painting tools; musical instruments/audio resources; sports equipment and safe playing space; digital device where available.	Observation checklist; oral questions; practical product; skill demonstration; performance rubric; learner portfolio; peer/self-assessment and reflection.	_____
2	3	1.0 Foundations of Creative Arts and Sports	1.1 Roles of Creative Arts and Sports **Focus:** Displaying and reviewing a storyboard	At the end of the lesson, the learner should be able to: Knowledge: Describe the roles of Creative Arts and Sports in society. Skills: Apply or demonstrate the relevant knowledge and practical skills in displaying and reviewing a storyboard. Attitudes: Appreciate displaying and reviewing a storyboard and demonstrate creativity, cooperation, respect and safe participation.	In groups, learners are guided to: Research and brainstorm on social and economic roles; collect and cut pictures of activities; prepare and paint a background surface; paste pictures to make a photographic storyboard; display, observe and give feedback. Focus the activity on displaying and reviewing a storyboard; record observations, practise or create the required work, present outcomes and give constructive feedback.	What is the importance of Creative Arts and Sports in society?	KICD Grade 8 design; approved learner's book; pictures and charts; locally available art/craft materials; drawing and painting tools; musical instruments/audio resources; sports equipment and safe playing space; digital device where available.	Observation checklist; oral questions; practical product; skill demonstration; performance rubric; learner portfolio; peer/self-assessment and reflection.	_____
2	4	1.0 Foundations of Creative Arts and Sports	1.2 Components of Creative Arts and Sports **Focus:** Elements of a verse: character, theme and setting	At the end of the lesson, the learner should be able to: Knowledge: Describe elements of verse. Skills: Apply or demonstrate the relevant knowledge and practical skills in elements of a verse: character, theme and setting. Attitudes: Appreciate elements of a verse: character, theme and setting and demonstrate creativity, cooperation, respect and safe participation.	In groups, learners are guided to: Read sample verses and discuss their elements; observe or watch a fitness session and perform activities for endurance and agility; draw bass staff and piano keyboard; name pitches and ledger lines; group notes in 3/4 time; construct and write G major on treble and bass staff. Focus the activity on elements of a verse: character, theme and setting; record observations, practise or create the required work, present outcomes and give constructive feedback.	What are the components of Creative Arts and Sports?	KICD Grade 8 design; approved learner's book; pictures and charts; locally available art/craft materials; drawing and painting tools; musical instruments/audio resources; sports equipment and safe playing space; digital device where available.	Observation checklist; oral questions; practical product; skill demonstration; performance rubric; learner portfolio; peer/self-assessment and reflection.	_____
2	5	1.0 Foundations of Creative Arts and Sports	1.2 Components of Creative Arts and Sports **Focus:** Endurance and agility in physical fitness	At the end of the lesson, the learner should be able to: Knowledge: Describe elements of verse. Skills: Apply or demonstrate the relevant knowledge and practical skills in endurance and agility in physical fitness. Attitudes: Appreciate endurance and agility in physical fitness and demonstrate creativity, cooperation, respect and safe participation.	In groups, learners are guided to: Read sample verses and discuss their elements; observe or watch a fitness session and perform activities for endurance and agility; draw bass staff and piano keyboard; name pitches and ledger lines; group notes in 3/4 time; construct and write G major on treble and bass staff. Focus the activity on endurance and agility in physical fitness; record observations, practise or create the required work, present outcomes and give constructive feedback.	What are the components of Creative Arts and Sports?	KICD Grade 8 design; approved learner's book; pictures and charts; locally available art/craft materials; drawing and painting tools; musical instruments/audio resources; sports equipment and safe playing space; digital device where available.	Observation checklist; oral questions; practical product; skill demonstration; performance rubric; learner portfolio; peer/self-assessment and reflection.	_____
3	1	1.0 Foundations of Creative Arts and Sports	1.2 Components of Creative Arts and Sports **Focus:** Bass staff, ledger lines and piano keyboard	At the end of the lesson, the learner should be able to: Knowledge: Describe elements of verse. Skills: Apply or demonstrate the relevant knowledge and practical skills in bass staff, ledger lines and piano keyboard. Attitudes: Appreciate bass staff, ledger lines and piano keyboard and demonstrate creativity, cooperation, respect and safe participation.	In groups, learners are guided to: Read sample verses and discuss their elements; observe or watch a fitness session and perform activities for endurance and agility; draw bass staff and piano keyboard; name pitches and ledger lines; group notes in 3/4 time; construct and write G major on treble and bass staff. Focus the activity on bass staff, ledger lines and piano keyboard; record observations, practise or create the required work, present outcomes and give constructive feedback.	What are the components of Creative Arts and Sports?	KICD Grade 8 design; approved learner's book; pictures and charts; locally available art/craft materials; drawing and painting tools; musical instruments/audio resources; sports equipment and safe playing space; digital device where available.	Observation checklist; oral questions; practical product; skill demonstration; performance rubric; learner portfolio; peer/self-assessment and reflection.	_____
3	2	1.0 Foundations of Creative Arts and Sports	1.2 Components of Creative Arts and Sports **Focus:** Accidentals and middle C	At the end of the lesson, the learner should be able to: Knowledge: Describe elements of verse. Skills: Apply or demonstrate the relevant knowledge and practical skills in accidentals and middle c. Attitudes: Appreciate accidentals and middle c and demonstrate creativity, cooperation, respect and safe participation.	In groups, learners are guided to: Read sample verses and discuss their elements; observe or watch a fitness session and perform activities for endurance and agility; draw bass staff and piano keyboard; name pitches and ledger lines; group notes in 3/4 time; construct and write G major on treble and bass staff. Focus the activity on accidentals and middle c; record observations, practise or create the required work, present outcomes and give constructive feedback.	What are the components of Creative Arts and Sports?	KICD Grade 8 design; approved learner's book; pictures and charts; locally available art/craft materials; drawing and painting tools; musical instruments/audio resources; sports equipment and safe playing space; digital device where available.	Observation checklist; oral questions; practical product; skill demonstration; performance rubric; learner portfolio; peer/self-assessment and reflection.	_____
3	3	1.0 Foundations of Creative Arts and Sports	1.2 Components of Creative Arts and Sports **Focus:** Semibreve, minim, crotchet and a pair of quavers	At the end of the lesson, the learner should be able to: Knowledge: Describe elements of verse. Skills: Apply or demonstrate the relevant knowledge and practical skills in semibreve, minim, crotchet and a pair of quavers. Attitudes: Appreciate semibreve, minim, crotchet and a pair of quavers and demonstrate creativity, cooperation, respect and safe participation.	In groups, learners are guided to: Read sample verses and discuss their elements; observe or watch a fitness session and perform activities for endurance and agility; draw bass staff and piano keyboard; name pitches and ledger lines; group notes in 3/4 time; construct and write G major on treble and bass staff. Focus the activity on semibreve, minim, crotchet and a pair of quavers; record observations, practise or create the required work, present outcomes and give constructive feedback.	What are the components of Creative Arts and Sports?	KICD Grade 8 design; approved learner's book; pictures and charts; locally available art/craft materials; drawing and painting tools; musical instruments/audio resources; sports equipment and safe playing space; digital device where available.	Observation checklist; oral questions; practical product; skill demonstration; performance rubric; learner portfolio; peer/self-assessment and reflection.	_____

3	4	1.0 Foundations of Creative Arts and Sports	1.2 Components of Creative Arts and Sports **Focus:** Grouping notes in 3/4 time	At the end of the lesson, the learner should be able to: Knowledge: Describe elements of verse. Skills: Apply or demonstrate the relevant knowledge and practical skills in grouping notes in 3/4 time. Attitudes: Appreciate grouping notes in 3/4 time and demonstrate creativity, cooperation, respect and safe participation.	In groups, learners are guided to: Read sample verses and discuss their elements; observe or watch a fitness session and perform activities for endurance and agility; draw bass staff and piano keyboard; name pitches and ledger lines; group notes in 3/4 time; construct and write G major on treble and bass staff. Focus the activity on grouping notes in 3/4 time; record observations, practise or create the required work, present outcomes and give constructive feedback.	What are the components of Creative Arts and Sports?	KICD Grade 8 design; approved learner's book; pictures and charts; locally available art/craft materials; drawing and painting tools; musical instruments/audio resources; sports equipment and safe playing space; digital device where available.	Observation checklist; oral questions; practical product; skill demonstration; performance rubric; learner portfolio; peer/self-assessment and reflection.	_____
3	5	1.0 Foundations of Creative Arts and Sports	1.2 Components of Creative Arts and Sports **Focus:** Constructing the scale of G major	At the end of the lesson, the learner should be able to: Knowledge: Describe elements of verse. Skills: Apply or demonstrate the relevant knowledge and practical skills in constructing the scale of g major. Attitudes: Appreciate constructing the scale of g major and demonstrate creativity, cooperation, respect and safe participation.	In groups, learners are guided to: Read sample verses and discuss their elements; observe or watch a fitness session and perform activities for endurance and agility; draw bass staff and piano keyboard; name pitches and ledger lines; group notes in 3/4 time; construct and write G major on treble and bass staff. Focus the activity on constructing the scale of g major; record observations, practise or create the required work, present outcomes and give constructive feedback.	What are the components of Creative Arts and Sports?	KICD Grade 8 design; approved learner's book; pictures and charts; locally available art/craft materials; drawing and painting tools; musical instruments/audio resources; sports equipment and safe playing space; digital device where available.	Observation checklist; oral questions; practical product; skill demonstration; performance rubric; learner portfolio; peer/self-assessment and reflection.	_____
4	1	1.0 Foundations of Creative Arts and Sports	1.2 Components of Creative Arts and Sports **Focus:** Integrating and practising the components	At the end of the lesson, the learner should be able to: Knowledge: Describe elements of verse. Skills: Apply or demonstrate the relevant knowledge and practical skills in integrating and practising the components. Attitudes: Appreciate integrating and practising the components and demonstrate creativity, cooperation, respect and safe participation.	In groups, learners are guided to: Read sample verses and discuss their elements; observe or watch a fitness session and perform activities for endurance and agility; draw bass staff and piano keyboard; name pitches and ledger lines; group notes in 3/4 time; construct and write G major on treble and bass staff. Focus the activity on integrating and practising the components; record observations, practise or create the required work, present outcomes and give constructive feedback.	What are the components of Creative Arts and Sports?	KICD Grade 8 design; approved learner's book; pictures and charts; locally available art/craft materials; drawing and painting tools; musical instruments/audio resources; sports equipment and safe playing space; digital device where available.	Observation checklist; oral questions; practical product; skill demonstration; performance rubric; learner portfolio; peer/self-assessment and reflection.	_____
4	2	2.0 Creating and Performing in Creative Arts and Sports	2.1 Drawing and Painting **Focus:** Reviewing forms and shapes in pictures	At the end of the lesson, the learner should be able to: Knowledge: Discuss dominance in a picture. Skills: Apply or demonstrate the relevant knowledge and practical skills in reviewing forms and shapes in pictures. Attitudes: Appreciate reviewing forms and shapes in pictures and demonstrate creativity, cooperation, respect and safe participation.	In groups, learners are guided to: Observe pictures and discuss shape, colour and dominance; paint a colour wheel; illustrate a line strip using complementary colours; draw a setup of forms and shapes to create dominance; paint the sketched picture using a thin wash and complementary colours; display and discuss pictures. Focus the activity on reviewing forms and shapes in pictures; record observations, practise or create the required work, present outcomes and give constructive feedback.	What are complementary colours? How is dominance created in a picture?	KICD Grade 8 design; approved learner's book; pictures and charts; locally available art/craft materials; drawing and painting tools; musical instruments/audio resources; sports equipment and safe playing space; digital device where available.	Observation checklist; oral questions; practical product; skill demonstration; performance rubric; learner portfolio; peer/self-assessment and reflection.	_____
4	3	2.0 Creating and Performing in Creative Arts and Sports	2.1 Drawing and Painting **Focus:** Dominance in a picture through size variation	At the end of the lesson, the learner should be able to: Knowledge: Discuss dominance in a picture. Skills: Apply or demonstrate the relevant knowledge and practical skills in dominance in a picture through size variation. Attitudes: Appreciate dominance in a picture through size variation and demonstrate creativity, cooperation, respect and safe participation.	In groups, learners are guided to: Observe pictures and discuss shape, colour and dominance; paint a colour wheel; illustrate a line strip using complementary colours; draw a setup of forms and shapes to create dominance; paint the sketched picture using a thin wash and complementary colours; display and discuss pictures. Focus the activity on dominance in a picture through size variation; record observations, practise or create the required work, present outcomes and give constructive feedback.	What are complementary colours? How is dominance created in a picture?	KICD Grade 8 design; approved learner's book; pictures and charts; locally available art/craft materials; drawing and painting tools; musical instruments/audio resources; sports equipment and safe playing space; digital device where available.	Observation checklist; oral questions; practical product; skill demonstration; performance rubric; learner portfolio; peer/self-assessment and reflection.	_____
4	4	2.0 Creating and Performing in Creative Arts and Sports	2.1 Drawing and Painting **Focus:** Complementary colours on a colour wheel	At the end of the lesson, the learner should be able to: Knowledge: Discuss dominance in a picture. Skills: Apply or demonstrate the relevant knowledge and practical skills in complementary colours on a colour wheel. Attitudes: Appreciate complementary colours on a colour wheel and demonstrate creativity, cooperation, respect and safe participation.	In groups, learners are guided to: Observe pictures and discuss shape, colour and dominance; paint a colour wheel; illustrate a line strip using complementary colours; draw a setup of forms and shapes to create dominance; paint the sketched picture using a thin wash and complementary colours; display and discuss pictures. Focus the activity on complementary colours on a colour wheel; record observations, practise or create the required work, present outcomes and give constructive feedback.	What are complementary colours? How is dominance created in a picture?	KICD Grade 8 design; approved learner's book; pictures and charts; locally available art/craft materials; drawing and painting tools; musical instruments/audio resources; sports equipment and safe playing space; digital device where available.	Observation checklist; oral questions; practical product; skill demonstration; performance rubric; learner portfolio; peer/self-assessment and reflection.	_____
4	5	2.0 Creating and Performing in Creative Arts and Sports	2.1 Drawing and Painting **Focus:** Painting a colour wheel	At the end of the lesson, the learner should be able to: Knowledge: Discuss dominance in a picture. Skills: Apply or demonstrate the relevant knowledge and practical skills in painting a colour wheel. Attitudes: Appreciate painting a colour wheel and demonstrate creativity, cooperation, respect and safe participation.	In groups, learners are guided to: Observe pictures and discuss shape, colour and dominance; paint a colour wheel; illustrate a line strip using complementary colours; draw a setup of forms and shapes to create dominance; paint the sketched picture using a thin wash and complementary colours; display and discuss pictures. Focus the activity on painting a colour wheel; record observations, practise or create the required work, present outcomes and give constructive feedback.	What are complementary colours? How is dominance created in a picture?	KICD Grade 8 design; approved learner's book; pictures and charts; locally available art/craft materials; drawing and painting tools; musical instruments/audio resources; sports equipment and safe playing space; digital device where available. Observation checklist; oral questions; practical product; skill demonstration; performance rubric; learner portfolio; peer/self-assessment and reflection.	_____
5	2	2.0 Creating and Performing in Creative Arts and Sports	2.1 Drawing and Painting **Focus:** Colour contrast using complementary colours	At the end of the lesson, the learner should be able to: Knowledge: Discuss dominance in a picture. Skills: Apply or demonstrate the relevant knowledge and practical skills in colour contrast using complementary colours. Attitudes: Appreciate colour contrast using complementary colours and demonstrate creativity, cooperation, respect and safe participation.	In groups, learners are guided to: Observe pictures and discuss shape, colour and dominance; paint a colour wheel; illustrate a line strip using complementary colours; draw a setup of forms and shapes to create dominance; paint the sketched picture using a thin wash and complementary colours; display and discuss pictures. Focus the activity on colour contrast using complementary colours; record observations, practise or create the required work, present outcomes and give constructive feedback.	What are complementary colours? How is dominance created in a picture?	KICD Grade 8 design; approved learner's book; pictures and charts; locally available art/craft materials; drawing and painting tools; musical instruments/audio resources; sports equipment and safe playing space; digital device where available.	Observation checklist; oral questions; practical product; skill demonstration; performance rubric; learner portfolio; peer/self-assessment and reflection.	_____
5	3	2.0 Creating and Performing in Creative Arts and Sports	2.1 Drawing and Painting **Focus:** Sketching a still-life arrangement	At the end of the lesson, the learner should be able to: Knowledge: Discuss dominance in a picture. Skills: Apply or demonstrate the relevant knowledge and practical skills in sketching a still-life arrangement. Attitudes: Appreciate sketching a still-life arrangement and demonstrate creativity, cooperation, respect and safe participation.	In groups, learners are guided to: Observe pictures and discuss shape, colour and dominance; paint a colour wheel; illustrate a line strip using complementary colours; draw a setup of forms and shapes to create dominance; paint the sketched picture using a thin wash and complementary colours; display and discuss pictures. Focus the activity on sketching a still-life arrangement; record observations, practise or create the required work, present outcomes and give constructive feedback.	What are complementary colours? How is dominance created in a picture?	KICD Grade 8 design; approved learner's book; pictures and charts; locally available art/craft materials; drawing and painting tools; musical instruments/audio resources; sports equipment and safe playing space; digital device where available.	Observation checklist; oral questions; practical product; skill demonstration; performance rubric; learner portfolio; peer/self-assessment and reflection.	_____
5	4	2.0 Creating and Performing in Creative Arts and Sports	2.1 Drawing and Painting **Focus:** Creating dominance in a still-life composition	At the end of the lesson, the learner should be able to: Knowledge: Discuss dominance in a picture. Skills: Apply or demonstrate the relevant knowledge and practical skills in creating dominance in a still-life composition. Attitudes: Appreciate creating dominance in a still-life composition and demonstrate creativity, cooperation, respect and safe participation.	In groups, learners are guided to: Observe pictures and discuss shape, colour and dominance; paint a colour wheel; illustrate a line strip using complementary colours; draw a setup of forms and shapes to create dominance; paint the sketched picture using a thin wash and complementary colours; display and discuss pictures. Focus the activity on creating dominance in a still-life composition; record observations, practise or create the required work, present outcomes and give constructive feedback.	What are complementary colours? How is dominance created in a picture?	KICD Grade 8 design; approved learner's book; pictures and charts; locally available art/craft materials; drawing and painting tools; musical instruments/audio resources; sports equipment and safe playing space; digital device where available.	Observation checklist; oral questions; practical product; skill demonstration; performance rubric; learner portfolio; peer/self-assessment and reflection.	_____
5	5	2.0 Creating and Performing in Creative Arts and Sports	2.1 Drawing and Painting **Focus:** Painting a still-life composition	At the end of the lesson, the learner should be able to: Knowledge: Discuss dominance in a picture. Skills: Apply or demonstrate the relevant knowledge and practical skills in painting a still-life composition. Attitudes: Appreciate painting a still-life composition and demonstrate creativity, cooperation, respect and safe participation.	In groups, learners are guided to: Observe pictures and discuss shape, colour and dominance; paint a colour wheel; illustrate a line strip using complementary colours; draw a setup of forms and shapes to create dominance; paint the sketched picture using a thin wash and complementary colours; display and discuss pictures. Focus the activity on painting a still-life composition; record observations, practise or create the required work, present outcomes and give constructive feedback.	What are complementary colours? How is dominance created in a picture?	KICD Grade 8 design; approved learner's book; pictures and charts; locally available art/craft materials; drawing and painting tools; musical instruments/audio resources; sports equipment and safe playing space; digital device where available.	Observation checklist; oral questions; practical product; skill demonstration; performance rubric; learner portfolio; peer/self-assessment and reflection.	_____
6	1	2.0 Creating and Performing in Creative Arts and Sports	2.1 Drawing and Painting **Focus:** Displaying and appreciating own and others' pictures	At the end of the lesson, the learner should be able to: Knowledge: Discuss dominance in a picture. Skills: Apply or demonstrate the relevant knowledge and practical skills in displaying and appreciating own and others' pictures. Attitudes: Appreciate displaying and appreciating own and others' pictures and demonstrate creativity, cooperation, respect and safe participation.	In groups, learners are guided to: Observe pictures and discuss shape, colour and dominance; paint a colour wheel; illustrate a line strip using complementary colours; draw a setup of forms and shapes to create dominance; paint the sketched picture using a thin wash and complementary colours; display and discuss pictures. Focus the activity on displaying and appreciating own and others' pictures; record observations, practise or create the required work, present outcomes and give constructive feedback.	What are complementary colours? How is dominance created in a picture?	KICD Grade 8 design; approved learner's book; pictures and charts; locally available art/craft materials; drawing and painting tools; musical instruments/audio resources; sports equipment and safe playing space; digital device where available.	Observation checklist; oral questions; practical product; skill demonstration; performance rubric; learner portfolio; peer/self-assessment and reflection.	_____
6	2	2.0 Creating and Performing in Creative Arts and Sports	2.2 Rhythm **Focus:** Listening to and identifying rhythms in 3/4 time	At the end of the lesson, the learner should be able to: Knowledge: Describe 3/4 time in music. Skills: Apply or demonstrate the relevant knowledge and practical skills in listening to and identifying rhythms in 3/4 time. Attitudes: Appreciate listening to and identifying rhythms in 3/4 time and demonstrate creativity, cooperation, respect and safe participation.	In groups, learners are guided to: Listen to, sing or play familiar tunes in 3/4 time; describe rhythmic patterns; practise note values and rests; compose four-bar rhythms; clap, tap or play the compositions; present and give feedback. Focus the activity on listening to and identifying rhythms in 3/4 time; record observations, practise or create the required work, present outcomes and give constructive feedback.	How is rhythm organised in 3/4 time?	KICD Grade 8 design; approved learner's book; pictures and charts; locally available art/craft materials; drawing and painting tools; musical instruments/audio resources; sports equipment and safe playing space; digital device where available.	Observation checklist; oral questions; practical product; skill demonstration; performance rubric; learner portfolio; peer/self-assessment and reflection.	_____

6	3	2.0 Creating and Performing in Creative Arts and Sports	2.2 Rhythm **Focus:** Describing rhythmic patterns in familiar tunes	At the end of the lesson, the learner should be able to: Knowledge: Describe 3/4 time in music. Skills: Apply or demonstrate the relevant knowledge and practical skills in describing rhythmic patterns in familiar tunes. Attitudes: Appreciate describing rhythmic patterns in familiar tunes and demonstrate creativity, cooperation, respect and safe participation.	In groups, learners are guided to: Listen to, sing or play familiar tunes in 3/4 time; describe rhythmic patterns; practise note values and rests; compose four-bar rhythms; clap, tap or play the compositions; present and give feedback. Focus the activity on describing rhythmic patterns in familiar tunes; record observations, practise or create the required work, present outcomes and give constructive feedback.	How is rhythm organised in 3/4 time?	KICD Grade 8 design; approved learner's book; pictures and charts; locally available art/craft materials; drawing and painting tools; musical instruments/audio resources; sports equipment and safe playing space; digital device where available.	Observation checklist; oral questions; practical product; skill demonstration; performance rubric; learner portfolio; peer/self-assessment and reflection.	_____
6	4	2.0 Creating and Performing in Creative Arts and Sports	2.2 Rhythm **Focus:** Reviewing note values and rests	At the end of the lesson, the learner should be able to: Knowledge: Describe 3/4 time in music. Skills: Apply or demonstrate the relevant knowledge and practical skills in reviewing note values and rests. Attitudes: Appreciate reviewing note values and rests and demonstrate creativity, cooperation, respect and safe participation.	In groups, learners are guided to: Listen to, sing or play familiar tunes in 3/4 time; describe rhythmic patterns; practise note values and rests; compose four-bar rhythms; clap, tap or play the compositions; present and give feedback. Focus the activity on reviewing note values and rests; record observations, practise or create the required work, present outcomes and give constructive feedback.	How is rhythm organised in 3/4 time?	KICD Grade 8 design; approved learner's book; pictures and charts; locally available art/craft materials; drawing and painting tools; musical instruments/audio resources; sports equipment and safe playing space; digital device where available.	Observation checklist; oral questions; practical product; skill demonstration; performance rubric; learner portfolio; peer/self-assessment and reflection.	_____
6	5	2.0 Creating and Performing in Creative Arts and Sports	2.2 Rhythm **Focus:** Composing a four-bar rhythm	At the end of the lesson, the learner should be able to: Knowledge: Describe 3/4 time in music. Skills: Apply or demonstrate the relevant knowledge and practical skills in composing a four-bar rhythm. Attitudes: Appreciate composing a four-bar rhythm and demonstrate creativity, cooperation, respect and safe participation.	In groups, learners are guided to: Listen to, sing or play familiar tunes in 3/4 time; describe rhythmic patterns; practise note values and rests; compose four-bar rhythms; clap, tap or play the compositions; present and give feedback. Focus the activity on composing a four-bar rhythm; record observations, practise or create the required work, present outcomes and give constructive feedback.	How is rhythm organised in 3/4 time?	KICD Grade 8 design; approved learner's book; pictures and charts; locally available art/craft materials; drawing and painting tools; musical instruments/audio resources; sports equipment and safe playing space; digital device where available.	Observation checklist; oral questions; practical product; skill demonstration; performance rubric; learner portfolio; peer/self-assessment and reflection.	_____
7	1	2.0 Creating and Performing in Creative Arts and Sports	2.2 Rhythm **Focus:** Arranging rhythmic patterns in 3/4 time	At the end of the lesson, the learner should be able to: Knowledge: Describe 3/4 time in music. Skills: Apply or demonstrate the relevant knowledge and practical skills in arranging rhythmic patterns in 3/4 time. Attitudes: Appreciate arranging rhythmic patterns in 3/4 time and demonstrate creativity, cooperation, respect and safe participation.	In groups, learners are guided to: Listen to, sing or play familiar tunes in 3/4 time; describe rhythmic patterns; practise note values and rests; compose four-bar rhythms; clap, tap or play the compositions; present and give feedback. Focus the activity on arranging rhythmic patterns in 3/4 time; record observations, practise or create the required work, present outcomes and give constructive feedback.	How is rhythm organised in 3/4 time? Skills: Apply or demonstrate the relevant knowledge and practical skills in performing a composed melody. Attitudes: Appreciate performing a composed melody and demonstrate creativity, cooperation, respect and safe participation.	In groups, learners are guided to: Listen to familiar melodies; identify pitch movement and phrases; practise reading notes on the staff and relating them to a keyboard; construct G major patterns; create, perform and review a short melody. Focus the activity on performing a composed melody; record observations, practise or create the required work, present outcomes and give constructive feedback.	How is a melody created and performed?	KICD Grade 8 design; approved learner's book; pictures and charts; locally available art/craft materials; drawing and painting tools; musical instruments/audio resources; sports equipment and safe playing space; digital device where available.	Observation checklist; oral questions; practical product; skill demonstration; performance rubric; learner portfolio; peer/self-assessment and reflection.	_____
