GRADE 8 PRE-TECHNICAL STUDIES – RECORD OF WORK

School: _____ Teacher: _____ TSC No.: _____

Grade: 8 Year: 2027 Full Year

Teacher-prepared record aligned to the accompanying Grade 8 Pre-Technical Studies scheme. Work covered is recorded in past tense. Enter actual dates and sign after teaching.

Term allocation is a planning arrangement; adjust the sequence and dates to the actual school calendar and learner progress.

WK	LSN	DATE	STRAND	SUB-STRAND	WORK COVERED	SIGN
1	1	_____	1.0 Foundations of Pre-Technical Studies	1.1 Fire Safety **Focus:** Meaning and importance of fire safety	Practised meaning and importance of fire safety; described key features and related the concept to examples in the work environment.	_____
1	2	_____	1.0 Foundations of Pre-Technical Studies	1.1 Fire Safety **Focus:** Causes of fire outbreaks	Practised causes of fire outbreaks; described key features and related the concept to examples in the work environment.	_____
1	3	_____	1.0 Foundations of Pre-Technical Studies	1.1 Fire Safety **Focus:** Flammable substances and combustible materials	Explored flammable substances and combustible materials; examined relevant examples, completed a guided activity and shared findings.	_____
1	4	_____	1.0 Foundations of Pre-Technical Studies	1.1 Fire Safety **Focus:** Electrical faults and fire risks	Discussed electrical faults and fire risks; examined relevant examples, completed a guided activity and shared findings.	_____
2	1	_____	1.0 Foundations of Pre-Technical Studies	1.1 Fire Safety **Focus:** Ways of preventing fire outbreaks	Identified ways of preventing fire outbreaks; examined relevant examples, completed a guided activity and shared findings.	_____
2	2	_____	1.0 Foundations of Pre-Technical Studies	1.1 Fire Safety **Focus:** Firefighting techniques: cooling and smothering	Practised firefighting techniques: cooling and smothering; examined relevant examples, completed a guided activity and shared findings.	_____
2	3	_____	1.0 Foundations of Pre-Technical Studies	1.1 Fire Safety **Focus:** Firefighting techniques: starving and interrupting; safe response	Explored firefighting techniques: starving and interrupting; safe response; examined relevant examples, completed a guided activity and shared findings.	_____
2	4	_____	1.0 Foundations of Pre-Technical Studies	1.2 Data Safety **Focus:** Meaning of data and information in electronic devices	Identified meaning of data and information in electronic devices; described key features and related the concept to examples in the work environment.	_____
3	1	_____	1.0 Foundations of Pre-Technical Studies	1.2 Data Safety **Focus:** Importance of data in electronic devices	Practised importance of data in electronic devices; described key features and related the concept to examples in the work environment.	_____
3	2	_____	1.0 Foundations of Pre-Technical Studies	1.2 Data Safety **Focus:** Threats to data: computer viruses and malware	Explored threats to data: computer viruses and malware; described key features and related the concept to examples in the work environment.	_____
3	3	_____	1.0 Foundations of Pre-Technical Studies	1.2 Data Safety **Focus:** Threats to data: unauthorised access and loss	Practised threats to data: unauthorised access and loss; described key features and related the concept to examples in the work environment.	_____
3	4	_____	1.0 Foundations of Pre-Technical Studies	1.2 Data Safety **Focus:** Data protection through strong passwords	Identified data protection through strong passwords; explored relevant digital concepts and practised appropriate procedures for the task.	_____
4	1	_____	1.0 Foundations of Pre-Technical Studies	1.2 Data Safety **Focus:** Antivirus software and scanning devices	Practised antivirus software and scanning devices; explored relevant digital concepts and practised appropriate procedures for the task.	_____

WK	LSN	DATE	STRAND	SUB-STRAND	WORK COVERED	SIGN
4	2	_____	1.0 Foundations of Pre-Technical Studies	1.2 Data Safety **Focus:** Safe handling and storage of data	Practised safe handling and storage of data; selected or handled relevant tools and discussed safe use, care and storage.	_____
4	3	_____	1.0 Foundations of Pre-Technical Studies	1.2 Data Safety **Focus:** Backing up and recovering data	Identified backing up and recovering data; explored relevant digital concepts and practised appropriate procedures for the task.	_____
4	4	_____	1.0 Foundations of Pre-Technical Studies	1.2 Data Safety **Focus:** Responsible use of electronic devices	Practised responsible use of electronic devices; examined relevant examples, completed a guided activity and shared findings.	_____
5	1	_____	1.0 Foundations of Pre-Technical Studies	1.2 Data Safety **Focus:** Applying data protection techniques	Explored applying data protection techniques; explored relevant digital concepts and practised appropriate procedures for the task.	_____
5	2	_____	1.0 Foundations of Pre-Technical Studies	1.2 Data Safety **Focus:** Review of data safety practices	Practised review of data safety practices; explored relevant digital concepts and practised appropriate procedures for the task.	_____
5	3	_____	2.0 Communication in Pre-Technical Studies	2.1 Plane Geometry **Focus:** Drawing instruments and their uses	Practised drawing instruments and their uses; used appropriate drawing instruments or examples to interpret, construct or present the required work.	_____
5	4	_____	2.0 Communication in Pre-Technical Studies	2.1 Plane Geometry **Focus:** Layout of a drawing environment	Identified layout of a drawing environment; used appropriate drawing instruments or examples to interpret, construct or present the required work.	_____
6	1	_____	2.0 Communication in Pre-Technical Studies	2.1 Plane Geometry **Focus:** Constructing combined plane shapes	Discussed constructing combined plane shapes; used appropriate drawing instruments or examples to interpret, construct or present the required work.	_____
6	2	_____	2.0 Communication in Pre-Technical Studies	2.1 Plane Geometry **Focus:** Applying plane geometry in drawing	Practised applying plane geometry in drawing; used appropriate drawing instruments or examples to interpret, construct or present the required work.	_____
6	3	_____	2.0 Communication in Pre-Technical Studies	2.2 Dimensioning **Focus:** Meaning and importance of dimensioning	Identified meaning and importance of dimensioning; described key features and related the concept to examples in the work environment.	_____
6	4	_____	2.0 Communication in Pre-Technical Studies	2.2 Dimensioning **Focus:** Types of dimensioning: linear and radial	Practised types of dimensioning: linear and radial; described key features and related the concept to examples in the work environment.	_____
7	1	_____	2.0 Communication in Pre-Technical Studies	2.2 Dimensioning **Focus:** Angular and arc dimensioning	Practised angular and arc dimensioning; used appropriate drawing instruments or examples to interpret, construct or present the required work.	_____
7	2	_____	2.0 Communication in Pre-Technical Studies	2.2 Dimensioning **Focus:** Lines used in dimensioning	Practised lines used in dimensioning; used appropriate drawing instruments or examples to interpret, construct or present the required work.	_____
7	3	_____	2.0 Communication in Pre-Technical Studies	2.2 Dimensioning **Focus:** Forms of dimensioning: parallel and chain	Identified forms of dimensioning: parallel and chain; used appropriate drawing instruments or examples to interpret, construct or present the required work.	_____
7	4	_____	2.0 Communication in Pre-Technical Studies	2.2 Dimensioning **Focus:** Combined dimensioning	Identified combined dimensioning; used appropriate drawing instruments or examples to interpret, construct or present the required work.	_____
8	1	_____	2.0 Communication in Pre-Technical Studies	2.2 Dimensioning **Focus:** Dimensioning given shapes and portfolio	Explored dimensioning given shapes and portfolio; used appropriate drawing instruments or examples to interpret, construct or present the required work.	_____

WK	LSN	DATE	STRAND	SUB-STRAND	WORK COVERED	SIGN
8	2	_____	2.0 Communication in Pre-Technical Studies	2.3 Plain Scale Drawing **Focus:** Meaning and purpose of a plain scale	Explored meaning and purpose of a plain scale; described key features and related the concept to examples in the work environment.	_____
8	3	_____	2.0 Communication in Pre-Technical Studies	2.3 Plain Scale Drawing **Focus:** Features and components of a plain scale	Explored features and components of a plain scale; used appropriate drawing instruments or examples to interpret, construct or present the required work.	_____
8	4	_____	2.0 Communication in Pre-Technical Studies	2.3 Plain Scale Drawing **Focus:** Reading and interpreting a plain scale	Identified reading and interpreting a plain scale; used appropriate drawing instruments or examples to interpret, construct or present the required work.	_____
9	1	_____	2.0 Communication in Pre-Technical Studies	2.3 Plain Scale Drawing **Focus:** Scale representation and measurement	Discussed scale representation and measurement; used appropriate drawing instruments or examples to interpret, construct or present the required work.	_____
9	2	_____	2.0 Communication in Pre-Technical Studies	2.3 Plain Scale Drawing **Focus:** Drawing plane figures to a given scale	Explored drawing plane figures to a given scale; used appropriate drawing instruments or examples to interpret, construct or present the required work.	_____
9	3	_____	2.0 Communication in Pre-Technical Studies	2.3 Plain Scale Drawing **Focus:** Application of plain scale drawing in the work environment	Identified application of plain scale drawing in the work environment; used appropriate drawing instruments or examples to interpret, construct or present the required work.	_____
9	4	_____	2.0 Communication in Pre-Technical Studies	2.4 Visual Programming **Focus:** Meaning of visual programming and applications	Identified meaning of visual programming and applications; described key features and related the concept to examples in the work environment.	_____
10	1	_____	2.0 Communication in Pre-Technical Studies	2.4 Visual Programming **Focus:** Types of visual programming applications	Discussed types of visual programming applications; described key features and related the concept to examples in the work environment.	_____
10	2	_____	2.0 Communication in Pre-Technical Studies	2.4 Visual Programming **Focus:** Examples: MakeCode, Scratch and similar applications	Identified examples: MakeCode, Scratch and similar applications; examined relevant examples, completed a guided activity and shared findings.	_____
10	3	_____	2.0 Communication in Pre-Technical Studies	2.4 Visual Programming **Focus:** Launching and navigating an application	Practised launching and navigating an application; examined relevant examples, completed a guided activity and shared findings.	_____
10	4	_____	2.0 Communication in Pre-Technical Studies	2.4 Visual Programming **Focus:** Input, processing and output	Identified input, processing and output; examined relevant examples, completed a guided activity and shared findings.	_____
11	1	_____	2.0 Communication in Pre-Technical Studies	2.4 Visual Programming **Focus:** Sounds, animations and backgrounds	Identified sounds, animations and backgrounds; examined relevant examples, completed a guided activity and shared findings.	_____
11	2	_____	2.0 Communication in Pre-Technical Studies	2.4 Visual Programming **Focus:** Programming terms: syntax and variables	Practised programming terms: syntax and variables; explored relevant digital concepts and practised appropriate procedures for the task.	_____
11	3	_____	2.0 Communication in Pre-Technical Studies	2.4 Visual Programming **Focus:** Coding blocks and instructions	Explored coding blocks and instructions; explored relevant digital concepts and practised appropriate procedures for the task.	_____
11	4	_____	2.0 Communication in Pre-Technical Studies	2.4 Visual Programming **Focus:** Sequencing instructions	Practised sequencing instructions; examined relevant examples, completed a guided activity and shared findings.	_____
12	1	_____	2.0 Communication in Pre-Technical Studies	2.4 Visual Programming **Focus:** Events and actions	Identified events and actions; examined relevant examples, completed a guided activity and shared findings.	_____

WK	LSN	DATE	STRAND	SUB-STRAND	WORK COVERED	SIGN
12	2	_____	2.0 Communication in Pre-Technical Studies	2.4 Visual Programming **Focus:** Creating a simple program	Discussed creating a simple program; explored relevant digital concepts and practised appropriate procedures for the task.	_____
12	3	_____	2.0 Communication in Pre-Technical Studies	2.4 Visual Programming **Focus:** Testing and debugging	Identified testing and debugging; explored relevant digital concepts and practised appropriate procedures for the task.	_____
12	4	_____	2.0 Communication in Pre-Technical Studies	2.4 Visual Programming **Focus:** Improving a program	Discussed improving a program; explored relevant digital concepts and practised appropriate procedures for the task.	_____
13	1	_____	2.0 Communication in Pre-Technical Studies	2.4 Visual Programming **Focus:** Uses of visual programming in daily life	Explored uses of visual programming in daily life; explored relevant digital concepts and practised appropriate procedures for the task.	_____
13	2	_____	3.0 Materials for Production	3.1 Composite Materials **Focus:** Meaning and examples of composite materials	Practised meaning and examples of composite materials; described key features and related the concept to examples in the work environment.	_____
13	3	_____	3.0 Materials for Production	3.1 Composite Materials **Focus:** Concrete, bricks and manufactured boards	Explored concrete, bricks and manufactured boards; examined relevant examples, completed a guided activity and shared findings.	_____
13	4	_____	3.0 Materials for Production	3.1 Composite Materials **Focus:** Stone and paper-mâché composites	Explored stone and paper-mâché composites; examined relevant examples, completed a guided activity and shared findings.	_____
14	1	_____	3.0 Materials for Production	3.1 Composite Materials **Focus:** Plastic-coated paper and other local examples	Discussed plastic-coated paper and other local examples; examined relevant examples, completed a guided activity and shared findings.	_____
14	2	_____	3.0 Materials for Production	3.1 Composite Materials **Focus:** Composition of selected composite materials	Practised composition of selected composite materials; examined relevant examples, completed a guided activity and shared findings.	_____
14	3	_____	3.0 Materials for Production	3.1 Composite Materials **Focus:** Uses of composites in work environments	Identified uses of composites in work environments; examined relevant examples, completed a guided activity and shared findings.	_____
14	4	_____	3.0 Materials for Production	3.1 Composite Materials **Focus:** Importance and responsible use of composites	Practised importance and responsible use of composites; described key features and related the concept to examples in the work environment.	_____
15	1	_____	3.0 Materials for Production	3.2 Ceramics **Focus:** Meaning and characteristics of ceramic materials	Identified meaning and characteristics of ceramic materials; described key features and related the concept to examples in the work environment.	_____
15	2	_____	3.0 Materials for Production	3.2 Ceramics **Focus:** Raw materials used in making ceramics	Explored raw materials used in making ceramics; examined relevant examples, completed a guided activity and shared findings.	_____
15	3	_____	3.0 Materials for Production	3.2 Ceramics **Focus:** Preparation and shaping of ceramic products	Practised preparation and shaping of ceramic products; examined relevant examples, completed a guided activity and shared findings.	_____
15	4	_____	3.0 Materials for Production	3.2 Ceramics **Focus:** Drying and firing processes	Explored drying and firing processes; examined relevant examples, completed a guided activity and shared findings.	_____
16	1	_____	3.0 Materials for Production	3.2 Ceramics **Focus:** Properties and limitations of ceramics	Identified properties and limitations of ceramics; examined relevant examples, completed a guided activity and shared findings.	_____

WK	LSN	DATE	STRAND	SUB-STRAND	WORK COVERED	SIGN
16	2	_____	3.0 Materials for Production	3.2 Ceramics **Focus:** Uses of ceramic materials in work environments	Identified uses of ceramic materials in work environments; examined relevant examples, completed a guided activity and shared findings.	_____
16	3	_____	3.0 Materials for Production	3.2 Ceramics **Focus:** Care, safety and importance of ceramics	Discussed care, safety and importance of ceramics; described key features and related the concept to examples in the work environment.	_____
16	4	_____	4.0 Tools and Production	4.1 Cutting Tools **Focus:** Meaning and purpose of cutting tools	Discussed meaning and purpose of cutting tools; described key features and related the concept to examples in the work environment.	_____
17	1	_____	4.0 Tools and Production	4.1 Cutting Tools **Focus:** Identifying snips, chisels and handsaws	Explored identifying snips, chisels and handsaws; examined relevant examples, completed a guided activity and shared findings.	_____
17	2	_____	4.0 Tools and Production	4.1 Cutting Tools **Focus:** Identifying planes and hacksaws	Identified identifying planes and hacksaws; examined relevant examples, completed a guided activity and shared findings.	_____
17	3	_____	4.0 Tools and Production	4.1 Cutting Tools **Focus:** Scrapers, knives, strippers and cutters	Discussed scrapers, knives, strippers and cutters; examined relevant examples, completed a guided activity and shared findings.	_____
17	4	_____	4.0 Tools and Production	4.1 Cutting Tools **Focus:** Uses of selected cutting tools	Identified uses of selected cutting tools; selected or handled relevant tools and discussed safe use, care and storage.	_____
18	1	_____	4.0 Tools and Production	4.1 Cutting Tools **Focus:** Selecting tools for specific tasks	Explored selecting tools for specific tasks; selected or handled relevant tools and discussed safe use, care and storage.	_____
18	2	_____	4.0 Tools and Production	4.1 Cutting Tools **Focus:** Safety rules and protective equipment	Practised safety rules and protective equipment; examined relevant examples, completed a guided activity and shared findings.	_____
18	3	_____	4.0 Tools and Production	4.1 Cutting Tools **Focus:** Safe handling of cutting tools	Discussed safe handling of cutting tools; selected or handled relevant tools and discussed safe use, care and storage.	_____
18	4	_____	4.0 Tools and Production	4.1 Cutting Tools **Focus:** Demonstrating correct cutting techniques	Discussed demonstrating correct cutting techniques; selected or handled relevant tools and discussed safe use, care and storage.	_____
19	1	_____	4.0 Tools and Production	4.1 Cutting Tools **Focus:** Carrying out a guided cutting task	Practised carrying out a guided cutting task; selected or handled relevant tools and discussed safe use, care and storage.	_____
19	2	_____	4.0 Tools and Production	4.1 Cutting Tools **Focus:** Inspection of cutting tools	Discussed inspection of cutting tools; selected or handled relevant tools and discussed safe use, care and storage.	_____
19	3	_____	4.0 Tools and Production	4.1 Cutting Tools **Focus:** Cleaning and maintenance	Practised cleaning and maintenance; selected or handled relevant tools and discussed safe use, care and storage.	_____
19	4	_____	4.0 Tools and Production	4.1 Cutting Tools **Focus:** Safe storage of tools	Explored safe storage of tools; selected or handled relevant tools and discussed safe use, care and storage.	_____
20	1	_____	4.0 Tools and Production	4.1 Cutting Tools **Focus:** Matching tools to workplace tasks	Identified matching tools to workplace tasks; selected or handled relevant tools and discussed safe use, care and storage.	_____

WK	LSN	DATE	STRAND	SUB-STRAND	WORK COVERED	SIGN
20	2	_____	4.0 Tools and Production	4.1 Cutting Tools **Focus:** Review of safe use and care	Identified review of safe use and care; examined relevant examples, completed a guided activity and shared findings.	_____
20	3	_____	4.0 Tools and Production	4.2 Computer Software **Focus:** Meaning and categories of computer software	Practised meaning and categories of computer software; described key features and related the concept to examples in the work environment.	_____
20	4	_____	4.0 Tools and Production	4.2 Computer Software **Focus:** System software and its functions	Discussed system software and its functions; explored relevant digital concepts and practised appropriate procedures for the task.	_____
21	1	_____	4.0 Tools and Production	4.2 Computer Software **Focus:** Application software used in workplaces	Explored application software used in workplaces; explored relevant digital concepts and practised appropriate procedures for the task.	_____
21	2	_____	4.0 Tools and Production	4.2 Computer Software **Focus:** Functions of common application software	Explored functions of common application software; explored relevant digital concepts and practised appropriate procedures for the task.	_____
21	3	_____	4.0 Tools and Production	4.2 Computer Software **Focus:** Using software to perform everyday tasks	Explored using software to perform everyday tasks; explored relevant digital concepts and practised appropriate procedures for the task.	_____
21	4	_____	4.0 Tools and Production	4.2 Computer Software **Focus:** Importance of application software in the workplace	Explored importance of application software in the workplace; described key features and related the concept to examples in the work environment.	_____
22	1	_____	5.0 Entrepreneurship	5.1 Bookkeeping **Focus:** Meaning and importance of bookkeeping	Practised meaning and importance of bookkeeping; described key features and related the concept to examples in the work environment.	_____
22	2	_____	5.0 Entrepreneurship	5.1 Bookkeeping **Focus:** Business transactions and source documents	Practised business transactions and source documents; completed guided examples and explained its application in a simple business or personal context.	_____
22	3	_____	5.0 Entrepreneurship	5.1 Bookkeeping **Focus:** Cash receipts and payment records	Identified cash receipts and payment records; examined relevant examples, completed a guided activity and shared findings.	_____
22	4	_____	5.0 Entrepreneurship	5.1 Bookkeeping **Focus:** Sales and purchases records	Practised sales and purchases records; examined relevant examples, completed a guided activity and shared findings.	_____
23	1	_____	5.0 Entrepreneurship	5.1 Bookkeeping **Focus:** Assets, liabilities and capital	Practised assets, liabilities and capital; examined relevant examples, completed a guided activity and shared findings.	_____
23	2	_____	5.0 Entrepreneurship	5.1 Bookkeeping **Focus:** Recording simple transactions	Discussed recording simple transactions; completed guided examples and explained its application in a simple business or personal context.	_____
23	3	_____	5.0 Entrepreneurship	5.1 Bookkeeping **Focus:** Balancing simple accounts	Identified balancing simple accounts; examined relevant examples, completed a guided activity and shared findings.	_____
23	4	_____	5.0 Entrepreneurship	5.1 Bookkeeping **Focus:** Cash book and petty cash	Explored cash book and petty cash; examined relevant examples, completed a guided activity and shared findings.	_____
24	1	_____	5.0 Entrepreneurship	5.1 Bookkeeping **Focus:** Summarising business records	Identified summarising business records; examined relevant examples, completed a guided activity and shared findings.	_____

WK	LSN	DATE	STRAND	SUB-STRAND	WORK COVERED	SIGN
24	2	_____	5.0 Entrepreneurship	5.1 Bookkeeping **Focus:** Accuracy and honesty in bookkeeping	Identified accuracy and honesty in bookkeeping; completed guided examples and explained its application in a simple business or personal context.	_____
24	3	_____	5.0 Entrepreneurship	5.1 Bookkeeping **Focus:** Using records to make decisions	Explored using records to make decisions; examined relevant examples, completed a guided activity and shared findings.	_____
24	4	_____	5.0 Entrepreneurship	5.1 Bookkeeping **Focus:** Review and practice	Discussed review and practice; examined relevant examples, completed a guided activity and shared findings.	_____
25	1	_____	5.0 Entrepreneurship	5.2 Income and Budgeting **Focus:** Meaning and sources of personal income	Explored meaning and sources of personal income; described key features and related the concept to examples in the work environment.	_____
25	2	_____	5.0 Entrepreneurship	5.2 Income and Budgeting **Focus:** Importance of budgeting	Discussed importance of budgeting; described key features and related the concept to examples in the work environment.	_____
25	3	_____	5.0 Entrepreneurship	5.2 Income and Budgeting **Focus:** Needs, wants and wise spending	Practised needs, wants and wise spending; examined relevant examples, completed a guided activity and shared findings.	_____
25	4	_____	5.0 Entrepreneurship	5.2 Income and Budgeting **Focus:** Planning a simple personal budget	Identified planning a simple personal budget; completed guided examples and explained its application in a simple business or personal context.	_____
26	1	_____	5.0 Entrepreneurship	5.2 Income and Budgeting **Focus:** Estimating income and expenses	Explored estimating income and expenses; completed guided examples and explained its application in a simple business or personal context.	_____
26	2	_____	5.0 Entrepreneurship	5.2 Income and Budgeting **Focus:** Balancing a budget	Practised balancing a budget; completed guided examples and explained its application in a simple business or personal context.	_____
26	3	_____	5.0 Entrepreneurship	5.2 Income and Budgeting **Focus:** Ethical and unethical budgeting practices	Identified ethical and unethical budgeting practices; completed guided examples and explained its application in a simple business or personal context.	_____
26	4	_____	5.0 Entrepreneurship	5.2 Income and Budgeting **Focus:** Reviewing and adjusting a budget	Discussed reviewing and adjusting a budget; completed guided examples and explained its application in a simple business or personal context.	_____
27	1	_____	5.0 Entrepreneurship	5.2 Income and Budgeting **Focus:** Financial planning and responsible choices	Practised financial planning and responsible choices; examined relevant examples, completed a guided activity and shared findings.	_____
27	2	_____	5.0 Entrepreneurship	5.3 Marketing Goods and Services **Focus:** Meaning and purpose of marketing	Practised meaning and purpose of marketing; described key features and related the concept to examples in the work environment.	_____
27	3	_____	5.0 Entrepreneurship	5.3 Marketing Goods and Services **Focus:** Goods and services in the market	Practised goods and services in the market; examined relevant examples, completed a guided activity and shared findings.	_____
27	4	_____	5.0 Entrepreneurship	5.3 Marketing Goods and Services **Focus:** Identifying customer needs	Practised identifying customer needs; examined relevant examples, completed a guided activity and shared findings.	_____
28	1	_____	5.0 Entrepreneurship	5.3 Marketing Goods and Services **Focus:** Product, price, place and promotion	Practised product, price, place and promotion; examined relevant examples, completed a guided activity and shared findings.	_____

WK	LSN	DATE	STRAND	SUB-STRAND	WORK COVERED	SIGN
28	2	_____	5.0 Entrepreneurship	5.3 Marketing Goods and Services **Focus:** Advertising and promotional methods	Practised advertising and promotional methods; examined relevant examples, completed a guided activity and shared findings.	_____
28	3	_____	5.0 Entrepreneurship	5.3 Marketing Goods and Services **Focus:** Ethical marketing practices	Explored ethical marketing practices; completed guided examples and explained its application in a simple business or personal context.	_____
28	4	_____	5.0 Entrepreneurship	5.3 Marketing Goods and Services **Focus:** Preparing a simple marketing message	Explored preparing a simple marketing message; completed guided examples and explained its application in a simple business or personal context.	_____
29	1	_____	5.0 Entrepreneurship	5.3 Marketing Goods and Services **Focus:** Evaluating marketing approaches	Discussed evaluating marketing approaches; completed guided examples and explained its application in a simple business or personal context.	_____
29	2	_____	5.0 Entrepreneurship	5.4 Distribution of Goods and Services **Focus:** Meaning of distribution and channels	Practised meaning of distribution and channels; described key features and related the concept to examples in the work environment.	_____
29	3	_____	5.0 Entrepreneurship	5.4 Distribution of Goods and Services **Focus:** Role of intermediaries	Discussed role of intermediaries; examined relevant examples, completed a guided activity and shared findings.	_____
29	4	_____	5.0 Entrepreneurship	5.4 Distribution of Goods and Services **Focus:** Direct distribution channels	Practised direct distribution channels; completed guided examples and explained its application in a simple business or personal context.	_____
30	1	_____	5.0 Entrepreneurship	5.4 Distribution of Goods and Services **Focus:** Indirect distribution channels	Explored indirect distribution channels; completed guided examples and explained its application in a simple business or personal context.	_____
30	2	_____	5.0 Entrepreneurship	5.4 Distribution of Goods and Services **Focus:** Channels for different goods and services	Identified channels for different goods and services; examined relevant examples, completed a guided activity and shared findings.	_____
30	3	_____	5.0 Entrepreneurship	5.4 Distribution of Goods and Services **Focus:** Ethics in distribution	Practised ethics in distribution; completed guided examples and explained its application in a simple business or personal context.	_____
30	4	_____	5.0 Entrepreneurship	5.4 Distribution of Goods and Services **Focus:** Importance of distribution in the community	Discussed importance of distribution in the community; described key features and related the concept to examples in the work environment.	_____
