GRADE 8 PRE-TECHNICAL STUDIES – SCHEME OF WORK

School: _____ Teacher: _____ TSC No.: _____

Grade: 8 Year: 2027 Term 3 Lessons per week: 4

Curriculum basis: KICD Junior School Curriculum Design, Pre-Technical Studies Grade 8, Revised 2024. The design summary allocates 120 suggested lessons. Term distribution below is a teacher planning arrangement; the number of lessons per sub-strand may vary with context.

WK	LSN	STRAND	SUB-STRAND / FOCUS	LESSON LEARNING OUTCOMES	LEARNING EXPERIENCES	KEY INQUIRY QUESTIONS	LEARNING RESOURCES	ASSESSMENT METHODS	REFLECTION
1	1	5.0 Entrepreneurship	5.1 Bookkeeping **Focus:** Summarising business records	At the end of the lesson, the learner should be able to: Knowledge: Explain key concepts related to summarising business records. Skills: Appreciate honesty and accuracy in bookkeeping. Attitudes: Appreciate the importance of summarising business records in safe and responsible work.	In groups, learners are guided to: Prepare and interpret simple bookkeeping records; record key points and present their findings or completed task.	Why is bookkeeping important in a business?	KICD design; approved learner's book; charts and pictures; drawing instruments; suitable digital devices/software; tools, materials and safety equipment as relevant.	Observation; oral questions; written work; practical task; peer/self-assessment; portfolio or project where appropriate.	_____
1	2	5.0 Entrepreneurship	5.1 Bookkeeping **Focus:** Accuracy and honesty in bookkeeping	At the end of the lesson, the learner should be able to: Knowledge: Explain key concepts related to accuracy and honesty in bookkeeping. Skills: Appreciate honesty and accuracy in bookkeeping. Attitudes: Appreciate the importance of accuracy and honesty in bookkeeping in safe and responsible work.	In groups, learners are guided to: Prepare and interpret simple bookkeeping records; record key points and present their findings or completed task.	Why is bookkeeping important in a business?	KICD design; approved learner's book; charts and pictures; drawing instruments; suitable digital devices/software; tools, materials and safety equipment as relevant.	Observation; oral questions; written work; practical task; peer/self-assessment; portfolio or project where appropriate.	_____
1	3	5.0 Entrepreneurship	5.1 Bookkeeping **Focus:** Using records to make decisions	At the end of the lesson, the learner should be able to: Knowledge: Explain key concepts related to using records to make decisions. Skills: Appreciate honesty and accuracy in bookkeeping. Attitudes: Appreciate the importance of using records to make decisions in safe and responsible work.	In groups, learners are guided to: Prepare and interpret simple bookkeeping records; record key points and present their findings or completed task.	Why is bookkeeping important in a business?	KICD design; approved learner's book; charts and pictures; drawing instruments; suitable digital devices/software; tools, materials and safety equipment as relevant.	Observation; oral questions; written work; practical task; peer/self-assessment; portfolio or project where appropriate.	_____
1	4	5.0 Entrepreneurship	5.1 Bookkeeping **Focus:** Review and practice	At the end of the lesson, the learner should be able to: Knowledge: Explain key concepts related to review and practice. Skills: Appreciate honesty and accuracy in bookkeeping. Attitudes: Appreciate the importance of review and practice in safe and responsible work.	In groups, learners are guided to: Prepare and interpret simple bookkeeping records; record key points and present their findings or completed task.	Why is bookkeeping important in a business?	KICD design; approved learner's book; charts and pictures; drawing instruments; suitable digital devices/software; tools, materials and safety equipment as relevant.	Observation; oral questions; written work; practical task; peer/self-assessment; portfolio or project where appropriate.	_____
2	1	5.0 Entrepreneurship	5.2 Income and Budgeting **Focus:** Meaning and sources of personal income	At the end of the lesson, the learner should be able to: Knowledge: Explain key concepts related to meaning and sources of personal income. Skills: Identify sources of income for an individual. Attitudes: Appreciate the importance of meaning and sources of personal income in safe and responsible work.	In groups, learners are guided to: Share experiences on the meaning and sources of income; record key points and present their findings or completed task.	Why is it important to prepare a personal budget? What are the ethical issues in income and budgeting?	KICD design; approved learner's book; charts and pictures; drawing instruments; suitable digital devices/software; tools, materials and safety equipment as relevant.	Observation; oral questions; written work; practical task; peer/self-assessment; portfolio or project where appropriate.	_____
2	2	5.0 Entrepreneurship	5.2 Income and Budgeting **Focus:** Importance of budgeting	At the end of the lesson, the learner should be able to: Knowledge: Explain key concepts related to importance of budgeting. Skills: Explain the importance of budgeting in day-to-day life. Attitudes: Appreciate the importance of importance of budgeting in safe and responsible work.	In groups, learners are guided to: Brainstorm and present the importance of budgeting; record key points and present their findings or completed task.	Why is it important to prepare a personal budget? What are the ethical issues in income and budgeting?	KICD design; approved learner's book; charts and pictures; drawing instruments; suitable digital devices/software; tools, materials and safety equipment as relevant.	Observation; oral questions; written work; practical task; peer/self-assessment; portfolio or project where appropriate.	_____
2	3	5.0 Entrepreneurship	5.2 Income and Budgeting **Focus:** Needs, wants and wise spending	At the end of the lesson, the learner should be able to: Knowledge: Explain key concepts related to needs, wants and wise spending. Skills: Prepare a simple budget for personal financial management. Attitudes: Appreciate the importance of needs, wants and wise spending in safe and responsible work.	In groups, learners are guided to: Discuss ways of spending money wisely; record key points and present their findings or completed task.	Why is it important to prepare a personal budget? What are the ethical issues in income and budgeting?	KICD design; approved learner's book; charts and pictures; drawing instruments; suitable digital devices/software; tools, materials and safety equipment as relevant.	Observation; oral questions; written work; practical task; peer/self-assessment; portfolio or project where appropriate.	_____

WK	LSN	STRAND	SUB-STRAND / FOCUS	LESSON LEARNING OUTCOMES	LEARNING EXPERIENCES	KEY INQUIRY QUESTIONS	LEARNING RESOURCES	ASSESSMENT METHODS	REFLECTION
2	4	5.0 Entrepreneurship	5.2 Income and Budgeting **Focus:** Planning a simple personal budget	At the end of the lesson, the learner should be able to: Knowledge: Explain key concepts related to planning a simple personal budget. Skills: Explore ethical and unethical practices in budgeting. Attitudes: Appreciate the importance of planning a simple personal budget in safe and responsible work.	In groups, learners are guided to: Prepare a simple personal budget; record key points and present their findings or completed task.	Why is it important to prepare a personal budget? What are the ethical issues in income and budgeting?	KICD design; approved learner's book; charts and pictures; drawing instruments; suitable digital devices/software; tools, materials and safety equipment as relevant.	Observation; oral questions; written work; practical task; peer/self-assessment; portfolio or project where appropriate.	_____
3	1	5.0 Entrepreneurship	5.2 Income and Budgeting **Focus:** Estimating income and expenses	At the end of the lesson, the learner should be able to: Knowledge: Explain key concepts related to estimating income and expenses. Skills: Appreciate the importance of financial planning in income management. Attitudes: Appreciate the importance of estimating income and expenses in safe and responsible work.	In groups, learners are guided to: Discuss ethical and unethical practices in income and budgeting; record key points and present their findings or completed task.	Why is it important to prepare a personal budget? What are the ethical issues in income and budgeting?	KICD design; approved learner's book; charts and pictures; drawing instruments; suitable digital devices/software; tools, materials and safety equipment as relevant.	Observation; oral questions; written work; practical task; peer/self-assessment; portfolio or project where appropriate.	_____
3	2	5.0 Entrepreneurship	5.2 Income and Budgeting **Focus:** Balancing a budget	At the end of the lesson, the learner should be able to: Knowledge: Explain key concepts related to balancing a budget. Skills: Appreciate the importance of financial planning in income management. Attitudes: Appreciate the importance of balancing a budget in safe and responsible work.	In groups, learners are guided to: Discuss ethical and unethical practices in income and budgeting; record key points and present their findings or completed task.	Why is it important to prepare a personal budget? What are the ethical issues in income and budgeting?	KICD design; approved learner's book; charts and pictures; drawing instruments; suitable digital devices/software; tools, materials and safety equipment as relevant.	Observation; oral questions; written work; practical task; peer/self-assessment; portfolio or project where appropriate.	_____
3	3	5.0 Entrepreneurship	5.2 Income and Budgeting **Focus:** Ethical and unethical budgeting practices	At the end of the lesson, the learner should be able to: Knowledge: Explain key concepts related to ethical and unethical budgeting practices. Skills: Appreciate the importance of financial planning in income management. Attitudes: Appreciate the importance of ethical and unethical budgeting practices in safe and responsible work.	In groups, learners are guided to: Discuss ethical and unethical practices in income and budgeting; record key points and present their findings or completed task.	Why is it important to prepare a personal budget? What are the ethical issues in income and budgeting?	KICD design; approved learner's book; charts and pictures; drawing instruments; suitable digital devices/software; tools, materials and safety equipment as relevant.	Observation; oral questions; written work; practical task; peer/self-assessment; portfolio or project where appropriate.	_____
3	4	5.0 Entrepreneurship	5.2 Income and Budgeting **Focus:** Reviewing and adjusting a budget	At the end of the lesson, the learner should be able to: Knowledge: Explain key concepts related to reviewing and adjusting a budget. Skills: Appreciate the importance of financial planning in income management. Attitudes: Appreciate the importance of reviewing and adjusting a budget in safe and responsible work.	In groups, learners are guided to: Discuss ethical and unethical practices in income and budgeting; record key points and present their findings or completed task.	Why is it important to prepare a personal budget? What are the ethical issues in income and budgeting?	KICD design; approved learner's book; charts and pictures; drawing instruments; suitable digital devices/software; tools, materials and safety equipment as relevant.	Observation; oral questions; written work; practical task; peer/self-assessment; portfolio or project where appropriate.	_____
4	1	5.0 Entrepreneurship	5.2 Income and Budgeting **Focus:** Financial planning and responsible choices	At the end of the lesson, the learner should be able to: Knowledge: Explain key concepts related to financial planning and responsible choices. Skills: Appreciate the importance of financial planning in income management. Attitudes: Appreciate the importance of financial planning and responsible choices in safe and responsible work.	In groups, learners are guided to: Discuss ethical and unethical practices in income and budgeting; record key points and present their findings or completed task.	Why is it important to prepare a personal budget? What are the ethical issues in income and budgeting?	KICD design; approved learner's book; charts and pictures; drawing instruments; suitable digital devices/software; tools, materials and safety equipment as relevant.	Observation; oral questions; written work; practical task; peer/self-assessment; portfolio or project where appropriate.	_____
4	2	5.0 Entrepreneurship	5.3 Marketing Goods and Services **Focus:** Meaning and purpose of marketing	At the end of the lesson, the learner should be able to: Knowledge: Explain key concepts related to meaning and purpose of marketing. Skills: Explain the meaning and importance of marketing goods and services. Attitudes: Appreciate the importance of meaning and purpose of marketing in safe and responsible work.	In groups, learners are guided to: Discuss the meaning and importance of marketing; record key points and present their findings or completed task.	How are goods and services marketed in the community?	KICD design; approved learner's book; charts and pictures; drawing instruments; suitable digital devices/software; tools, materials and safety equipment as relevant.	Observation; oral questions; written work; practical task; peer/self-assessment; portfolio or project where appropriate.	_____
4	3	5.0 Entrepreneurship	5.3 Marketing Goods and Services **Focus:** Goods and services in the market	At the end of the lesson, the learner should be able to: Knowledge: Explain key concepts related to goods and services in the market. Skills: Identify methods used to market goods and services. Attitudes: Appreciate the importance of goods and services in the market in safe and responsible work.	In groups, learners are guided to: Identify goods and services in the locality; record key points and present their findings or completed task.	How are goods and services marketed in the community?	KICD design; approved learner's book; charts and pictures; drawing instruments; suitable digital devices/software; tools, materials and safety equipment as relevant.	Observation; oral questions; written work; practical task; peer/self-assessment; portfolio or project where appropriate.	_____

WK	LSN	STRAND	SUB-STRAND / FOCUS	LESSON LEARNING OUTCOMES	LEARNING EXPERIENCES	KEY INQUIRY QUESTIONS	LEARNING RESOURCES	ASSESSMENT METHODS	REFLECTION
4	4	5.0 Entrepreneurship	5.3 Marketing Goods and Services **Focus:** Identifying customer needs	At the end of the lesson, the learner should be able to: Knowledge: Explain key concepts related to identifying customer needs. Skills: Describe ethical practices in marketing. Attitudes: Appreciate the importance of identifying customer needs in safe and responsible work.	In groups, learners are guided to: Explore methods of promoting goods and services; record key points and present their findings or completed task.	How are goods and services marketed in the community?	KICD design; approved learner's book; charts and pictures; drawing instruments; suitable digital devices/software; tools, materials and safety equipment as relevant.	Observation; oral questions; written work; practical task; peer/self-assessment; portfolio or project where appropriate.	_____
5	1	5.0 Entrepreneurship	5.3 Marketing Goods and Services **Focus:** Product, price, place and promotion	At the end of the lesson, the learner should be able to: Knowledge: Explain key concepts related to product, price, place and promotion. Skills: Appreciate the role of marketing in business. Attitudes: Appreciate the importance of product, price, place and promotion in safe and responsible work.	In groups, learners are guided to: Develop simple marketing messages; record key points and present their findings or completed task.	How are goods and services marketed in the community?	KICD design; approved learner's book; charts and pictures; drawing instruments; suitable digital devices/software; tools, materials and safety equipment as relevant.	Observation; oral questions; written work; practical task; peer/self-assessment; portfolio or project where appropriate.	_____
5	2	5.0 Entrepreneurship	5.3 Marketing Goods and Services **Focus:** Advertising and promotional methods	At the end of the lesson, the learner should be able to: Knowledge: Explain key concepts related to advertising and promotional methods. Skills: Appreciate the role of marketing in business. Attitudes: Appreciate the importance of advertising and promotional methods in safe and responsible work.	In groups, learners are guided to: Discuss honesty, fairness and responsibility in marketing; record key points and present their findings or completed task.	How are goods and services marketed in the community?	KICD design; approved learner's book; charts and pictures; drawing instruments; suitable digital devices/software; tools, materials and safety equipment as relevant.	Observation; oral questions; written work; practical task; peer/self-assessment; portfolio or project where appropriate.	_____
5	3	5.0 Entrepreneurship	5.3 Marketing Goods and Services **Focus:** Ethical marketing practices	At the end of the lesson, the learner should be able to: Knowledge: Explain key concepts related to ethical marketing practices. Skills: Appreciate the role of marketing in business. Attitudes: Appreciate the importance of ethical marketing practices in safe and responsible work.	In groups, learners are guided to: Discuss honesty, fairness and responsibility in marketing; record key points and present their findings or completed task.	How are goods and services marketed in the community?	KICD design; approved learner's book; charts and pictures; drawing instruments; suitable digital devices/software; tools, materials and safety equipment as relevant.	Observation; oral questions; written work; practical task; peer/self-assessment; portfolio or project where appropriate.	_____
5	4	5.0 Entrepreneurship	5.3 Marketing Goods and Services **Focus:** Preparing a simple marketing message	At the end of the lesson, the learner should be able to: Knowledge: Explain key concepts related to preparing a simple marketing message. Skills: Appreciate the role of marketing in business. Attitudes: Appreciate the importance of preparing a simple marketing message in safe and responsible work.	In groups, learners are guided to: Discuss honesty, fairness and responsibility in marketing; record key points and present their findings or completed task.	How are goods and services marketed in the community?	KICD design; approved learner's book; charts and pictures; drawing instruments; suitable digital devices/software; tools, materials and safety equipment as relevant.	Observation; oral questions; written work; practical task; peer/self-assessment; portfolio or project where appropriate.	_____
6	1	5.0 Entrepreneurship	5.3 Marketing Goods and Services **Focus:** Evaluating marketing approaches	At the end of the lesson, the learner should be able to: Knowledge: Explain key concepts related to evaluating marketing approaches. Skills: Appreciate the role of marketing in business. Attitudes: Appreciate the importance of evaluating marketing approaches in safe and responsible work.	In groups, learners are guided to: Discuss honesty, fairness and responsibility in marketing; record key points and present their findings or completed task.	How are goods and services marketed in the community?	KICD design; approved learner's book; charts and pictures; drawing instruments; suitable digital devices/software; tools, materials and safety equipment as relevant.	Observation; oral questions; written work; practical task; peer/self-assessment; portfolio or project where appropriate.	_____
6	2	5.0 Entrepreneurship	5.4 Distribution of Goods and Services **Focus:** Meaning of distribution and channels	At the end of the lesson, the learner should be able to: Knowledge: Explain key concepts related to meaning of distribution and channels. Skills: Explain the role of intermediaries in distribution of goods and services. Attitudes: Appreciate the importance of meaning of distribution and channels in safe and responsible work.	In groups, learners are guided to: Discuss channels of distribution and the role of intermediaries; record key points and present their findings or completed task.	How is the distribution of goods and services carried out in day-to-day life?	KICD design; approved learner's book; charts and pictures; drawing instruments; suitable digital devices/software; tools, materials and safety equipment as relevant.	Observation; oral questions; written work; practical task; peer/self-assessment; portfolio or project where appropriate.	_____
6	3	5.0 Entrepreneurship	5.4 Distribution of Goods and Services **Focus:** Role of intermediaries	At the end of the lesson, the learner should be able to: Knowledge: Explain key concepts related to role of intermediaries. Skills: Illustrate channels for distributing different goods and services. Attitudes: Appreciate the importance of role of intermediaries in safe and responsible work.	In groups, learners are guided to: Research how intermediaries move goods and services to consumers; record key points and present their findings or completed task.	How is the distribution of goods and services carried out in day-to-day life?	KICD design; approved learner's book; charts and pictures; drawing instruments; suitable digital devices/software; tools, materials and safety equipment as relevant.	Observation; oral questions; written work; practical task; peer/self-assessment; portfolio or project where appropriate.	_____
6	4	5.0 Entrepreneurship	5.4 Distribution of Goods and Services **Focus:** Direct distribution channels	At the end of the lesson, the learner should be able to: Knowledge: Explain key concepts related to direct distribution channels. Skills: Analyse ethics in distribution of goods and services. Attitudes: Appreciate the importance of direct distribution channels in safe and responsible work.	In groups, learners are guided to: Watch and discuss suitable video clips on distribution channels; record key points and present their findings or completed task.	How is the distribution of goods and services carried out in day-to-day life?	KICD design; approved learner's book; charts and pictures; drawing instruments; suitable digital devices/software; tools, materials and safety equipment as relevant.	Observation; oral questions; written work; practical task; peer/self-assessment; portfolio or project where appropriate.	_____
